Cynthia Nixon

RUNNING FOR OFFICE!

THE *SEX AND THE CITY* STAR IS PUTTING DOWN HER COSMO TO FIGHT CORRUPTION IN ALBANY!

I love New York, and today I'm announcing my candidacy for governor. Join us: bit.ly/gocynthia

CYNTHIA Nixon is getting ready to take on her greatest role yet. “I love New York, and today I’m announcing my candidacy for governor,” the *Sex and the City* alum tweeted on March 19, confirming *Star*’s September report that she’s planning to take on Governor **Andrew Cuomo**, 60, in this year’s Democratic primary.

“New York is my home. I’ve never lived anywhere else,” Cynthia, 51, said in a two-minute video that accompanied the announcement. “I was given chances I just don’t see for most of New York’s kids today. Our leaders are letting us down. Something has to change. Together, we can win this fight.”

Since saying goodbye to Miranda Hobbes — Cynthia’s cynical

and ambitious on-screen alter ego — the mother of three (Samantha, 20, Charles, 14, and Max, 6) hasn’t been shy about criticizing the state’s current leader. “I think that Governor Cuomo is short-changing the children of New York,” Cynthia recently said, hinting that education will be the main focus of her campaign. “There are a lot of people who would like me to run for a variety of reasons. And I think

the number one is education.”

If Cynthia wins, she’ll be the first female *and* first openly gay person to hold the position — and experts think she’s got a real shot.

Democratic strategist and former DNC chief Donna Brazile surmises that the actress could prevail come Election Day: “Cynthia will make a phenomenal candidate. She’s wicked smart, knows the issues and has campaigned for everyone from city council to the presidency.” ★

Gov., Actually: “Cuomo’s time in office has been defined by a string of indictments for corruption,” Cynthia said in a statement.

Kardashian Katastrophe!

BITTER LAMAR'S REVENGE TELL-ALL!

RESENTFUL THAT SHE'S MOVING ON WITH ANOTHER MAN, KHLOÉ KARDASHIAN'S EX LAMAR ODOM VOWS TO EXPOSE HER FAMOUS FAMILY IN A JUICY NEW BOOK.

TALK about a paper cut! Sources tell *Star* that former NBA player **Lamar Odom**, 38, is gearing up to pen a tell-all about his ill-fated marriage to Khloé Kardashian — and nothing is off limits!

"Lamar is ready to cash in and blab about Khloé and her family," a well-placed source tells *Star*, explaining that with pregnant Khloé, 33, and her NBA beau **Tristan Thompson**, 27, ready to welcome a daughter any day now, jealous Lamar feels this is the perfect time to spill the beans. "He's going to set the record straight about the hell he went through, while also lifting the lid on the family's dark secrets."

Among the skeletons likely to tumble out of their couture-filled closets?

The truth about the Kardashians' rumored plastic surgeries, their A-list enemies and even the long-

debated identity of Khloé's biological dad!

"Nobody is better positioned than Lamar to dish the dirt on Khloé," the source says of the former L.A. Laker, 38, who wed in 2009 and endured a messy split in 2013 before finally divorcing in 2016. "The word is that he hasn't signed any kind of nondisclosure agreement, so he's free to talk to whomever he wants."

Lamar recently offered a taste of what's to come. In January, he slammed his ex-wife, claiming that he knew things were really over between them "when she was with her second or third NBA ballplayer."

The dig didn't sit well with her sister **Kim**, who quickly came to Khloé's defense, tweeting, "Or second or third brothel," possibly referring to 2015, when Lamar nearly died in a Nevada cathouse.

"Lamar's going to clear his name in this tell-all," promises the source, insisting that the entire Kardashian clan should be worried. "He knows where the bodies are buried. This would be their worst nightmare at the worst possible time." ★

Can iron-fisted momager Kris Jenner keep a lid on Lamar's secrets?

CAITLYN'S SKIN CRISIS!

All those years outdoors chasing gold medals and golf trophies came at a price for **Caitlyn Jenner**. "I recently had to get some sun damage removed from my nose," the transgender reality star wrote on Instagram alongside a photo of her mangled, red nose. "PSA — always wear your sunblock!"

Dermatologist Dr. Gene Rubinstein surmises that by sun damage, Caitlyn may mean basal or squamous cell carcinoma, conditions that are common and rarely life-threatening if treated properly. "Caitlyn is staying ahead of the game by taking such preventive steps," says *Star's* insider. "She's vowing to wear a 100 SPF sunscreen even on coffee runs!" Well, if you ask the Kardashians, she certainly is an expert at being shady...★

March 20: revealed her wound on Instagram.

March 21: "Hair looking great," Caitlyn wrote. "Nose is not but hearing well!"

PARIS & CARA: COZYING UP?

Paris Jackson and Cara Delevingne wanna be startin' something! In a sultry new social media share, the duo appeared to be more than just friends while cuddling in bed watching lesbian drama *Carol*.

"They've become very close in recent months and like doing silly things like eating pizza and watching movies," spills an insider. "No one is really surprised they get along so well — Paris is a bohemian at heart and Cara's a bit of a wild child."

But is Cara crushing on Paris... or her famous father?

"Cara's psyched to be hanging out with Michael Jackson's daughter — she has all of his records and is *beyond* a superfan," dishes the tipster. "Just being with Paris is a thrill because it brings Cara closer to her idol." Sounds like Paris has been struck by a smooth criminal... ★

KATY

CRUISING FOR A MAN LIKE LUKE!

California gurl gone country! **Katy Perry** has bonded big time with her *American Idol* costar **Luke Bryan** and is telling her new backwoods buddy that she wants to find a guy just like him.

“Luke is such a devoted family man and Katy goes weak in the knees when he starts gushing about his wife and their kids,” whispers an on-set source. “Katy says he’s the perfect husband and father: hardworking, reliable and very devoted.”

The country superstar and his wife of 11 years, **Caroline**, have not only raised their two sons, **Bo**, 10, and **Tate**, 7, but they have also taken in **Luke’s** sister’s three kids after their mom and dad died.

“The more time Katy spends with Luke,” adds the insider, “the more she wonders why she is always attracted to bad boys!”

Time to strip it down and start from scratch, **Katy**... ★

KATHERINE’S WEIGHTY ISSUE

Katherine Heigl feels like she’s in a race against time to drop 25 pounds of stubborn baby weight before making her TV comeback as **Meghan Markle’s** replacement on *Suits*. Fifteen months after welcoming son **Joshua**, the actress, 39, showed off her fuller figure on the beach during a mid-March getaway to Mexico.

Katherine, who said she gained 50 pounds during her pregnancy, confessed in an emotional Instagram post that she was struggling with a “deep desire to feel fit, strong and sexy” and “to finally lose the last of my baby weight.” But a friend says the actress has fallen short of her goal.

“Katherine has been super-strict about limiting carbs and alcohol but seems stuck,” says a pal. “If she can’t lose the weight, Katherine at least wants to inspire other women to embrace their imperfections — and get them to forgive hers!” ★

LIN-MANUEL MIRANDA: BROADWAY'S BIGGEST CHEAPSKATE?

Hamilton has made a lot of Benjamins for creator, writer and lead actor **Lin-Manuel Miranda**, but a source tells *Star* that he's not about to blow his Broadway bucks!

"The musical raked in more than \$100 million," titters a tipster. "Everyone keeps asking Lin when he's going to buy a mansion in Malibu or a Lambo, but he refuses to splash out on things like that."

In fact, the married father of two feels very satisfied with the life he's living!

"Lin buys in bulk at wholesale stores like Costco, and will walk to a business meeting to avoid paying for an Uber" chuckles the insider. "And when he tips, he figures out the exact percentage on a calculator. But he doesn't see anything wrong with it — Lin was brought up in a very frugal household. He gets a kick out of saving a dollar." Or 10? ★

NICOLE BARKING MAD ON GOLDFINCH SET!

Life is ruff for **Nicole Kidman** on the set of her new movie, *The Goldfinch*, and it's all because she's terrier-fied of a curly little Labradoodle!

"She won't work with this one dog in particular," claims a source on location in NYC. "Nicole thinks the dog doesn't like her and she's scared it'll bite, even though it's perfectly well trained."

Nicole had no problem filming with a different pup, and is convinced that the short-haired 'doodle has "a look in its eyes" — and apparently hid in her trailer when the little guy was on set!

"She normally loves animals, so it's strange that this one is making her flip out," shrugs the spy.

"They've had to replace him!" Talk about being in the doghouse... ★

Julia & Danny's

SHOCKING SEPARATION!

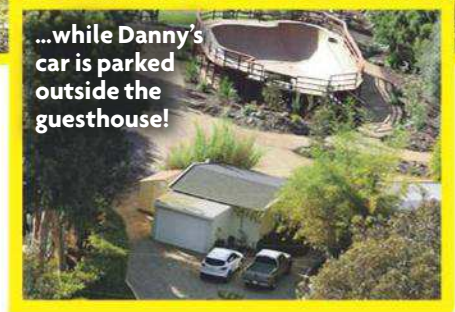

Family and friends are saying a little prayer for Julia Roberts and Danny Moder's marriage, a source tells *Star*.

COULD this be her one shot at happiness? Sources claim that **Julia Roberts'** long-suffering marriage to **Danny Moder** may be toast after news broke that her *My Best Friend's Wedding* costar, **Dermot Mulroney**, signed on to play the actress' love interest once again in the new Amazon series *Homecoming*.
"Julia and Danny have been living separately for 15 months," spills a source close to the 50-year-old Oscar winner. "They've tried to keep it quiet, but Julia has started telling friends that the time has come to make some major decisions regarding her relationship."
As *Star* has previously reported, Danny,

49, was jealous of Julia's flirty friendship with *Pretty Woman* costar **Richard Gere** — and news of her new reunion with Dermot, 54, may worsen the couple's already fractured partnership. "They're constantly fighting over who's not doing enough for the other," explains the insider. "Things calmed down once Danny moved out of the house, but the air is still frigid."
Photos show Danny, fed up, has moved out of their Malibu manse and into the guesthouse, while Julia purchased a \$3.9 million property nearby last June... just for her and the kids, Henry, 10, and 13-year-old twins Hazel and Phinnaeus.
"The way she's talking, Danny's not

"Having kids is something that they talked about long before tying the knot. Alicia has always wanted to become a mother," shares a source close to the 29-year-old *Tomb Raider* actress, who lives with her husband, 41, in Portugal, where they plan to raise their little ones out of the spotlight.

She may not have Little Monsters of her own, but sources tell *Star* that **Lady Gaga** has "grown very attached" to boyfriend **Christian Carino's** girls, Isabella, 17, and Lola, 16.

"His daughters were a bit wary of Gaga at first, but now, the three of them are practically inseparable," says an insider. "Isabella and Lola are always asking for her advice on everything from fashion to boys. After all, who wouldn't want *Lady Gaga* as a stepmom?"

Especially when you get to be her plus-one! The pop star, 31, was spotted sitting front row with one of the girls at **Tommy Hilfiger's** spring fashion show in Venice, Calif., last February.

"Rose has put up with a lot, but this could be the last straw for Kit," warns a source after the belligerent *Game of Thrones* hunk, 31, was thrown out of New York City's Barfly two months ago. TOM'S

DESPERATE DAYS!

ESTRANGED FROM HIS DAUGHTER, TRAPPED BY SCIENTOLOGY AND BOMBING AT THE BOX OFFICE, TOM CRUISE IS IN CRITICAL CONDITION.

When Tom Cruise took to Instagram on March 15 to gush about having over a million followers, he didn't exactly get the response he may have been hoping for. Along with heart and kiss emojis, Tom got slammed for rarely seeing his daughter, Suri, since his split from ex-wife **Katie Holmes** in 2012. But that was just the latest low blow for the *Top Gun* star, whose life seems to have hit rock bottom. "He's isolated in his weird little Scientologist world, cut off from family and friends, and he hasn't had a hit movie in years," a tipster tells *Star*. "Tom puts up a good front, but privately, it has to be painful."

OPEN WOUNDS

The 55-year-old is literally a broken man, having shattered his ankle last August while shooting *Mission: Impossible — Fallout*, a gruesome

injury from which he may never fully recover. "Tom's not the young buck he used to be," dishes the insider. "When they wrapped up filming in February, he was still limping pretty badly."

Nor has Tom healed his rift with Suri. "He's had virtually no contact with his child and has only himself to blame," hisses the source. "Scientology doesn't

permit members to stay in touch with defectors, even if they're family, but Tom has enough standing in the church that he could see her if he really wanted to."

Suri, who turns 12 in April, "has grown up to be such a poised and pretty young lady," the insider adds. "For Tom, it must really sting to see that his daughter is doing just fine without him."

LONELY AT THE TOP

While Katie has also moved on with boyfriend **Jamie Foxx**, Tom's rumored romances with his *Mission Impossible 6* and *Mummy* costars **Vanessa Kirby** and **Annabelle Wallis**, went nowhere. Since the death of his beloved mother, Mary Lee South, in February 2017, "it seems the only people Tom surrounds himself with these days are other high-level Scientologists," says the insider. "It's so sad that his life has come to this!" ★

“Giovanni’s parents are high-ranking Scientologists,” informant Steven Mango tells *Star*. “This is the perfect opportunity to get Leo to participate; he is their new target.”

Leo’s

SCIENTOLOGY
FAMILY
SECRET!

AS THINGS HEAT UP BETWEEN SCIENTOLOGIST GIOVANNI RIBISI AND LEONARDO DICAPRIO’S “STEPSISTER,” IS THE CULT GETTING CLOSER TO SCORING A NEW A-LIST MEMBER?

LEONARDO DiCaprio has a new famous friend in Giovanni Ribisi, who has embarked on a whirlwind love affair with the *Titanic* star's "stepsister," Emily Ward. But a former Scientologist exclusively reveals to *Star* that Scientologist Giovanni's relationship with Emily may be part of a larger plot to recruit Leo!"

Steven Mango, a former Scientology poster boy who escaped the controversial group in 2012, feels that for the church to have access to the silver screen's biggest star would be a major coup.

Leo and Emily have been close since his mother, Irmelin Indenbirken, and her father, David Ward, began dating in 2012. For the last six years, the man Leo's pals call his "Scottish stepdad" has done it all with the DiCaprios, from Oscars parties to family ski trips. Now, Steven believes that Giovanni — along with his equally fanatical parents, Gay and Al — are aiming to lure the Wards into his Scientology sects... and that Leo is next!

BATTLE PLAN

"Celebrity recruiters, such as the Ribisis, work to get their hooks into a celebrity," Steven explains to *Star*. "This could be through friends of a celebrity [or] a

Leo's "stepdad," David Ward

business associate, etc. This is what I believe is happening between the Ribisi family and Leo."

Steven also says that

Giovanni and his clan will try to convince the star that he needs Scientology to be happy: "They're working on a 'battle plan' with church officials to both get Leo 'briefed' on Scientology and figure out what his 'ruin' is."

Still a bachelor at 43, Scientologists will likely try to convince Leo that his revolving door of model girlfriends is his "ruin" and that the church could be the life-changing solution to his problem.

ROYAL RECRUITMENT

After persuading Leo that only Scientology can bring the happiness

he's apparently always searched for — a tall order considering Leo loves his life and wouldn't change it for the world — the next step would be to isolate him from his old influences. As a member, "the church becomes everything — your mother, your father, your everything," actress **Leah Remini** explained in her 2015 memoir, *Troublemaker*. "You are dependent on the church."

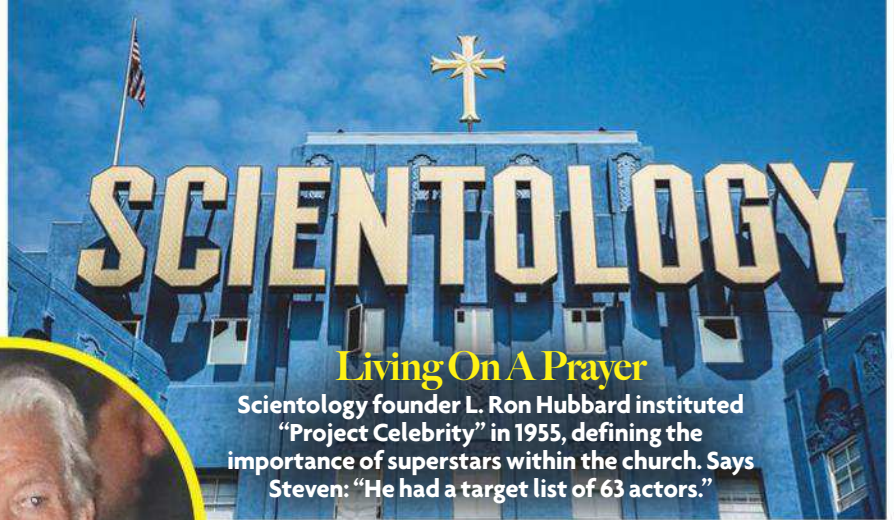

But finally, in 2013, Leah broke free after nearly 34 years in the religion, which has over 10,000 centers worldwide and claims to sign up 4.4 million people up every year. Still, the group is in desperate need of more famous members to join the ranks of **Tom Cruise, John Travolta, Kirstie Alley, Laura Prepon** and **Elisabeth Moss**.

A source close to the family insists "there has been no contact, nor will there be. There has been no outreach to Leo and he will not be taking that call." The church will be disappointed.

"If they were able to recruit Leo, or even get him to take a few courses, that would be a major win for the church," Steven spills. "They would be able to claim that a huge movie star took part in a Scientology course and use it to rope in new people."

According to Steven, Giovanni's parents have been known to work as "Field Staff Members" who focus on enlisting new believers, and they earn a 10 percent commission on any services their new member purchases within Scientology.

"This is serious; the Ribisis have been tasked with disseminating Scientology to the world, but especially to celebrities," warns Steven. "Leo may well be their new target and he has to be careful because Scientology can easily destroy his life." ★

Living On A Prayer

Scientology founder L. Ron Hubbard instituted "Project Celebrity" in 1955, defining the importance of superstars within the church. Says Steven: "He had a target list of 63 actors."

The Science Of Love

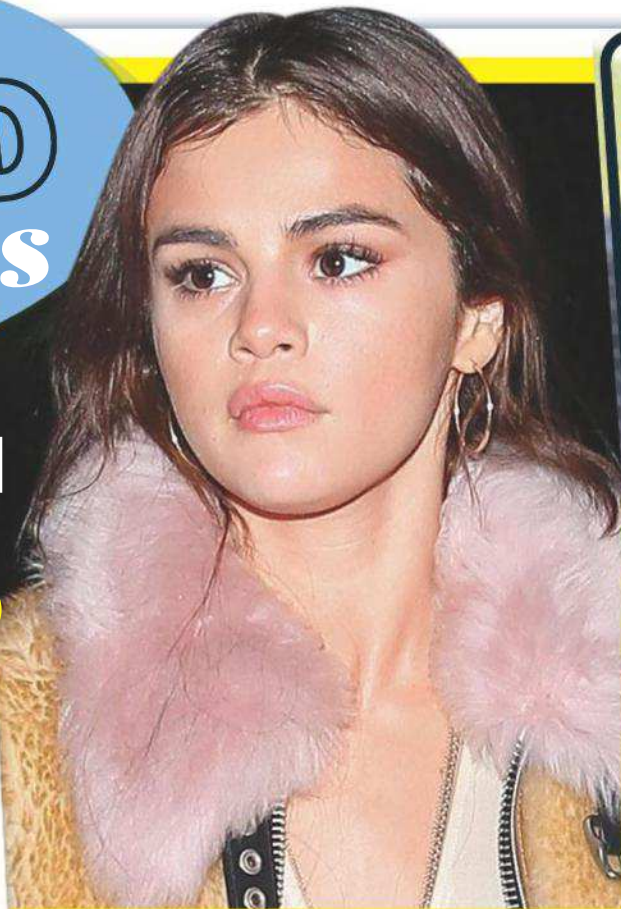

"When you are a Scientologist, you are required to date a Scientologist," Steven reveals, adding that Giovanni may try to convert Emily. "If they are not a Scientologist, they need to at least be supportive of it and their significant other being involved. Ultimately, though, [the church] makes you choose between the organization and your loved one."

Gigi Hadid may no longer be pillow-talking with Zayn Malik, but the model has a girl's best friend to keep her company! A source dishes that during their two-year romance, Zayn "popped the question several times" and twice presented the 22-year-old supermodel with sizable diamond rings. Feeling she was too young to settle down, Gigi consistently rejected his plea to get hitched — but "still kept the bling," says the spy, and now that their relationship is kaput, Gigi has "no intention" of giving them back. If you spot **Kate Hudson** on the street and holler a friendly *hello*, don't be surprised if you're met with the sound of silence. The actress has a habit of carrying earplugs to nab a little quiet time at a moment's notice. "She pops them in her ears when she feels like tuning out," whispers a pal. "She says it helps her concentrate when she's reading scripts or memorizing lines. If someone interrupts, all she has to do is point to her stuffed-up ears — and she's instantly left alone."

HEALTHY BLOOD SUGAR

My friends wondered what I was doing differently...

I LOST LOTS OF WEIGHT WITH ZUCCARIN DIET

"My name is Josephine and I live in Toronto. I work as a nutritional planner for hospital patients. All my life I have struggled with my weight but over the last year I have finally figured it out. I am now back to my ideal weight and feeling better than ever. My friends and my aquafitness instructor keep asking me what I am up to and how I lost so much weight.

I READ ABOUT ZUCCARIN™

A few years back I was told my blood sugar was too high. I was tired, craving sugar and not losing weight, so the diagnosis didn't come as a surprise. My doctor wanted to start me on medications, but I wanted to try a natural option first.

I read about a woman in Florida who had helped her blood sugar levels naturally and while doing that, lost a big amount of weight. She had been using a mulberry leaf supplement called Zuccarin.

MY WEIGHT LOSS SUCCESS

When I started using Zuccarin I first noticed that my blood sugar dropped to healthy levels. It was great to see that result from dietary supplement. After a while I noticed how much better I felt and how my sugar cravings were fading. As a nice added effect, it was helping my weight loss efforts greatly. I was thrilled!

Now it has been over a year, and I have lost all the weight I wanted to lose. Zuccarin has been a huge help. When anyone asks me how I did it, I am the first to tell them about Zuccarin. I strongly recommend it to anyone who has blood sugar - or weight issues, as I had."

Ty Pennington, Carter Oosterhouse, Vern Yip

Premieres Saturday, April 7, at 9PM on TLC

After a decade off the air, the beloved home improvement series, still hosted by **Paige Davis**, is back with a fresh coat of paint! Each week, two sets of neighbors are given \$2,000 to renovate two rooms in each other's homes with help from a rotating cast of designers including Yip, **Doug Wilson** and **Hildi Santo-Tomas**, who infamously glued straw to the walls of one couple's living room. Will she strike again? "What one of our designers does with eggshells is shocking," reveals TLC exec vice president Howard Lee before hinting: "Not every episode has a happy ending."

PATERNO

Al Pacino, Jim Johnson

Airs Saturday, April 7, at 8PM on HBO

From huddle up to cover-ups! In this gut-wrenching cable drama, director **Barry Levinson** (*Rain Man*) asks the question many in Happy Valley want to know the answer to: Did fallen Penn State football coach Joe Paterno (Pacino) know that his defensive coordinator, Jerry Sandusky (Johnson), was abusing children in the Nittany Lions' locker room? **Riley Keough** plays *The Patriot News* reporter Sara Ganim, who went on to win a Pulitzer Prize for breaking the story that sent Sandusky to prison for sexual assault.

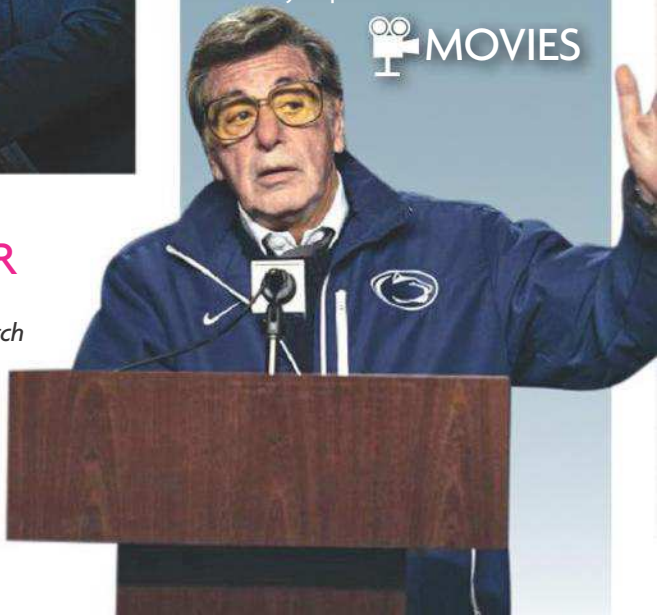

BLOCKERS

John Cena, Leslie Mann, Ike Barinholtz In theaters April 6 **R**

The only thing more impressive than Cena's smackdowns? His comedic timing in this delightfully raunchy coming-of-age comedy directed by *Pitch Perfect's* Kay Cannon. High school seniors Julie (**Kathryn Newton**), Kayla (**Geraldine Viswanathan**) and Sam (**Gideon Adlon**) make a pact to lose their virginity on prom night, but their protective parents — single mom Lisa (Mann), meathead Mitchell (Cena) and divorced dad Hunter (Barinholtz) — will stop at nothing to ensure their teenage daughters don't get laid ... even entering a beer butt-chugging contest!

Light years off-course, John (Stephens) and Maureen (Parker) must find a way to survive after crash-landing with their children, Penny (Sundwall) and Will (Maxwell Jenkins), in a dangerous alien environment.

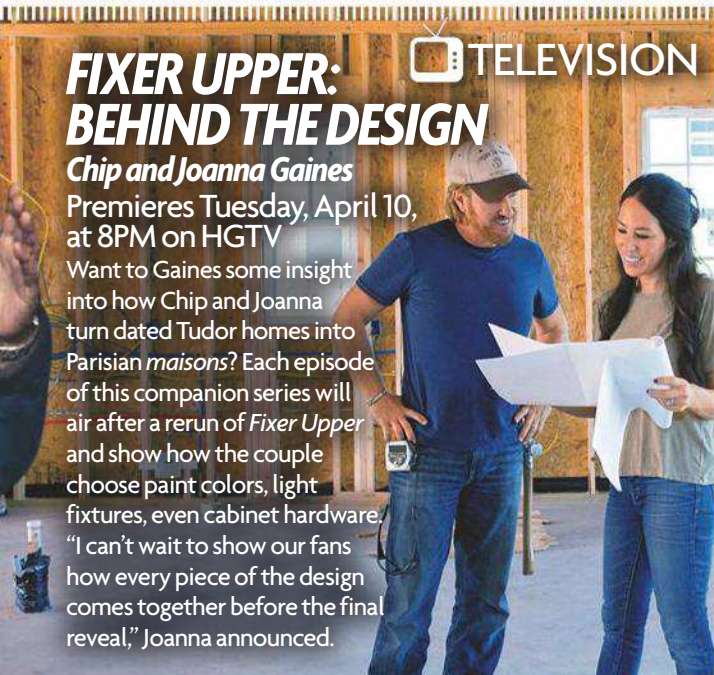

A QUIET PLACE

Emily Blunt, John Krasinski
In theaters April 6 **NR**

Written, directed and starring *The Office* alum, this terrifying thriller takes place after monsters with a killer sense of hearing invade Earth. Forced to communicate using sign language, a married couple played by real-life spouses Krasinski and Blunt are shocked to learn that they're expecting another child and must prepare for the *already* near-impossible task of raising a newborn.

TAURUS APRIL 20–MAY 20

With Venus in your sign, clear the schedule for love! Couples can reconnect, and singles may discover an instant connection with someone special. But get to know him or her first!

GEMINI
 MAY 21–JUNE 20

Family can play a big part in what you do next. Keep in mind that you can listen to advice, but don't allow anyone to have too much influence over major decisions that affect your life.

CANCER
 JUNE 21–JULY 22

Moon energy can help open career opportunities for you to consider. But life is not all about hard work. When you have the right image, you have added power of attraction. Love is passionate!

LEO
 JULY 23–AUG. 22

Watch for signs and be alert to coincidences. A conversation with the right person can further develop a creative venture or work situation.

VIRGO
 AUG. 23–SEPT. 22

You love to get down to business and take control, but right now teamwork trumps going solo. True love can find its way to your heart, so be open!

LIBRA
 SEPT. 23–OCT. 22

Don't shy away from having a deep conversation with someone — it could move love to the next phase. Work and money look positive.

SCORPIO
 OCT. 23–NOV. 21

Make time for romance! Your love life is hot on the radar. But don't neglect your work — the new moon is giving your career a boost.

SAGITTARIUS
 NOV. 22–DEC. 21

If you have a love decision, get some advice. A discussion with a friend can help you decide your next move regarding a relationship. A connection at work can present an opportunity.

CAPRICORN
 DEC. 22–JAN. 19

There's a new start with love. All relationships need love maintenance, so get creative to keep the romantic spark alive. And when you have someone's attention, speak from your heart. When things settle, it can work out for the best.

AQUARIUS
 JAN. 20–FEB. 18

A money situation that concerns a home or family matter looks promising but see it for what it is, not what you want it to be. Have a conversation with someone at work who can improve your financial situation, or put in a good word for you.

PISCES
 FEB. 19–MARCH 20

Friends can step up and open doors of opportunity for you. And a connection with someone destined to cross your path may offer some financial assistance, or options to consider. A heart-to-heart can clear the air.

ARIES
 MARCH 21–APRIL 19

The new moon indicates the start of something new — and a fresh start. A discussion with a work colleague can end up being good for your bank balance. Look your best for love!

The sweetest baby in the patch!

For the fourth year in a row, we invited doll lovers to submit photos on Facebook® of the cutest babies they knew, and put the decision to a vote. Ava Elise is a So Truly Real® collector doll, handcrafted of RealTouch® vinyl to capture every lifelike detail. Her baby-soft brown hair is *hand-rooted*, and her big blue-gray eyes are framed with long,

hand-applied lashes. She is poseable and her cuddly cloth body is *weighted* to feel just right in your arms. *Ava Elise* wears a red-on-white polka-dotted romper with a happy strawberry embroidered on the yoke. Simply scrumptious!

"When Lawyer.com first reached out to me, I was confused and a little scared because I thought I was in trouble," the *Mean Girls* star, who has been arrested six times and made 20 court appearances, snickered in a commercial. Gregorian Saturday/Sunday or Yahuwah's Sabbath: Which should we honor?

Recent research has revealed the startling fact that Saturday is not the seventh-day Sabbath of the Bible, and Sunday is not the day on which the Saviour was resurrected.

The Calendar Problem

THE VAST MAJORITY OF CHRISTENDOM worships on Sunday, in honor of the Saviour's resurrection. Jews, and a growing number of Protestants who believe the divine law is still binding, worship on Saturday in order to "Remember the Sabbath day to keep it holy." (Exodus 20:8)

The problem is that both Saturday and Sunday (as well as Friday, on which Muslims go to mosque for prayers), are calculated by the Catholic Gregorian calendar—a calendar that is itself adapted from the pagan Julian calendar. As such, Saturday and Sunday are counterfeit days of worship, imposed by Satan in order to usurp the worship that belongs to the Creator alone.

To find the actual day of the Saviour's resurrection, and the genuine seventh-day Sabbath, it is necessary to use the Biblical luni-solar calendar established by Yahuwah at Creation. On the Creator's calendar, the moon regulates both the month and the weekly cycle. The weekly cycle restarts each month with the new moon, unlike the papal calendar that has a continuous weekly cycle.

The result is that neither Saturday nor Sunday are legitimate days of worship that honor the Creator.

The Final Test

REVELATION 12 CONTAINS AN ALARMING VIEW of the future. John the Revelator was shown that the final test would be over worship. Using the imagery of a powerful beast with lamb-like horns that spoke like a dragon, Yahuwah revealed that at the close of earth's history, everyone on earth will be embroiled in a war: a war between the forces of good and the forces of evil.

In trying to steal worship that belongs only to Yahuwah, the devil will impose laws that seek to compel the conscience. He will try to force people to worship on his false day(s) of worship.

John said: "Then I saw another beast coming up out of the earth, and he had two horns like a lamb and spoke like a dragon ... And he deceives those who dwell on the earth, ...

telling those who dwell on the earth to make an image to the beast who was wounded by the sword and lived. He was granted power to give breath to the image of the beast, that the image of the beast should both speak and cause as many as would not worship the image of the beast to be killed. He causes all, both small and great, rich and poor, free and slave, to receive a mark on their right hand or on their foreheads, and that no one may buy or sell except one who has the mark or the name of the beast, or the number of his name." (See Revelation 13:11-17)

The final test reveals the inner heart of everyone living at the end of time. It will demonstrate who is willing to obey Yahuwah and keep His law regardless of the cost, and it will also show whose hearts are willing to compromise truth for temporal ease, those who join Satan in rebelling against the divine law.

It is a false idea that the final test of humanity is between two days on the papal Gregorian calendar. That is a deception of the devil. Both days are equally inappropriate for worship, because both are calculated by a false calendar.

The Trumpets & the End of the World

EVENTS WILL SOON TAKE PLACE in the world that will cut off the past from the present. Revelation 8 and 9 reveals a series of worldwide events that will bring death, confusion, and utter chaos throughout the entire world. After a series of meteor strikes devastates life on earth (Revelation 8:7-11), the sun, moon, and stars will also be affected. (See Revelation 8:12-13.)

Following these unprecedented catastrophes, demons in the form of aliens will appear to launch an invasion of the earth, tormenting all who are not under Yahuwah's special protection.

At that time, the pope will be exalted to a position of preëminent power. The political power that the papacy has steadily been forced to give up since the Protestant Reformation, will be returned to him. In his new role as the representative of mankind, he will negotiate a peace treaty with the aliens/demons. He will

then be in a position to enforce the exaltation of Sunday worldwide.

Decide today to follow Yahuwah!

NOW IS THE TIME TO PREPARE! Times are getting harder. An unprecedented economic crisis looms. There is an ongoing breakdown of social and moral values on every side. Violence and extremes of weather are making and breaking records with every month that goes by.

And yet, these are just the first breezes that warn of the coming tempest. Now, while the angels of Yahuwah hold the winds of strife in check, make a full surrender to your Maker. Determine to follow truth regardless of the cost. Only the righteousness of the Saviour can protect you in the days ahead. All who receive His righteousness, will receive the seal of Yahuwah. This seal is essential for receiving divine protection.

While events in the world are worsening and strife is intensifying, use the time you have left wisely. There is still time to get acquainted with the Father and His love for you. There is still time to surrender and let Him write His law upon your heart.

In this final period of relative peace, study the truths long forgotten. Study Yahuwah's calendar and learn how you can honor Him by worshipping on His holy Sabbath day, calculated by His luni-solar calendar, established at Creation.

The end of all things is very near. Time is now measured in years, not centuries or millennia. These final years will be filled with anguish and hardship. Start studying today! There is no time to waste.

Brendan's Belly Flop

Barbados, March 22

George of the Jungle's iconic yell is nothing compared with the vocal reactions people had to photos of **Brendan Fraser** vacationing in Barbados. Far from swinging on vines in a loin cloth, the former action star appears to have swallowed a beach ball!

In a new interview, Brendan confessed that doing his own stunts has taken a toll on his once-buff bod. "By the time I did the third *Mummy* picture [in 2008], I was put together with tape and ice," admitted the 49-year-old actor, who was in and out of hospitals for several years after undergoing a lumbar laminectomy and partial knee replacement.
