# Milo Ventimiglia's **GAY PAST!**

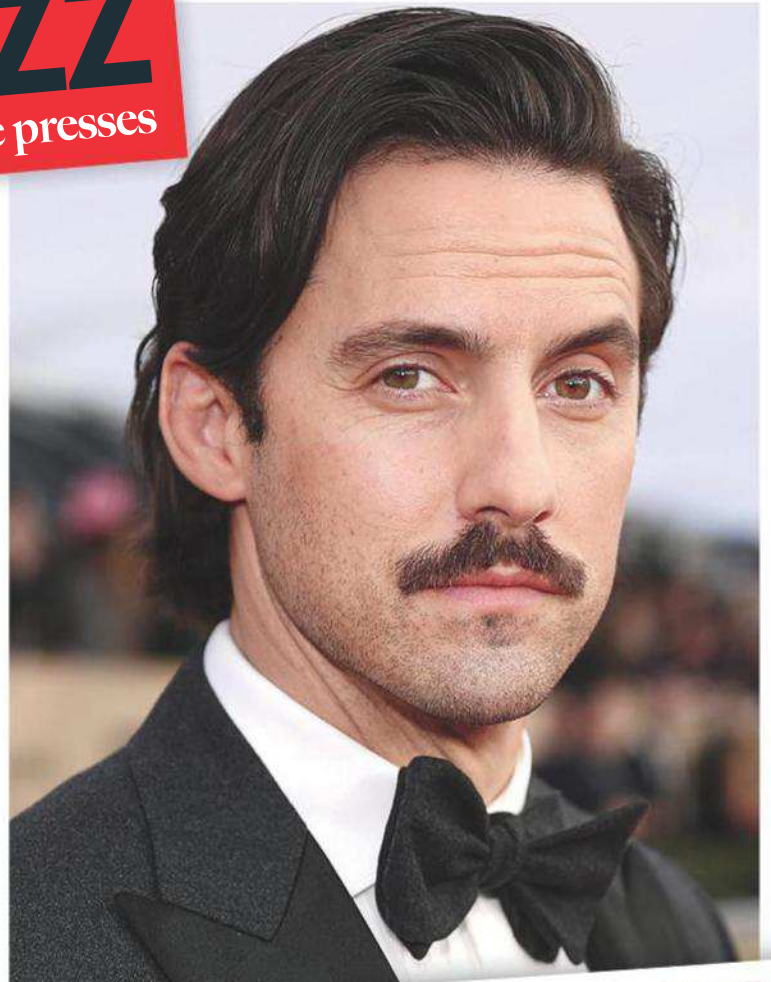

BEFORE HE WAS AMERICA'S FAVORITE DAD, THE *THIS IS US* STAR WAS SOMEONE'S BOYFRIEND...

**E**VERYONE has to start somewhere. These days, Milo Ventimiglia is one of the most popular actors in Hollywood, but back in the mid-'90s, the *This Is Us* star was willing to take any role he could get! In 1996, Milo starred in *Must Be the Music*, a short film that was part of a gay anthology series called *Boys Life 2*. In the flick, Milo plays a clubgoer who becomes the love interest of Jason Adelman's character. The film premiered at the Sundance Film Festival and became Milo's first starring role.

Years later, Milo, 40, went on to appear in *Gilmore Girls* and *Heroes*, but admits that when those shows ended, he struggled to get cast in big roles. "I couldn't catch a break. I wasn't there yet in other people's eyes," confessed Milo, adding that he debated leaving Hollywood altogether.

"I was gonna quit. I was like, 'You know what, I gotta leave the country, because this is just killing me, this business,'" Milo shared. "I have dual citizenship with Italy. I was like, 'I'm gonna sell everything, I'm going to fly to Rome, I'm gonna buy a motorcycle, I'm going to shave my head, I'm gonna grow a beard and I'm going to work on a farm... just lead a very different life very far away.'"

But he didn't give up — and was soon cast as Jack Pearson in *This Is Us*. "It [was] exciting," Milo said of landing the part, explaining that it's a role he can relate to. "Understanding where Jack is as a man who's starting a family and loves his wife is something I can understand. [I'm] able to connect [to him] on a deeper level." ★

CATHERINE ZETA-JONES &  
MICHAEL DOUGLAS:  
**STRONGER  
THAN EVER!**

AFTER SICKNESS AND SCANDALS, THE POWER  
COUPLE IS BACK ON TRACK

**B**EN and Jen. Brad and Angelina. Jennifer and Justin. It may seem like Hollywood romances are doomed, but there's one A-list pair that's still going strong: **Catherine Zeta-Jones and Michael Douglas!** In an exclusive interview, *Star* spoke with Michael's stepfather, Donald Webster, who says that after a brief split a few years back, the couple's once-troubled union is now better than before!

"I think they are getting to be one of Hollywood's longest-standing couples. I think they're getting along fine,"

says Donald, admitting that Michael's 2010 battle with stage-IV oral cancer was a difficult thing for the actors to endure — as was Catherine's trip to rehab three years later to deal with her bipolar disorder.

"It was hard for Catherine when Michael got sick, and the split happened during that period," details Donald, who was frank about rumors that Catherine quit drinking after her stint in treatment: "I was always seated next to Catherine at events, and she would drink in a social way. It's not uncommon for people with

bipolar disorder to self-medicate during their down times. But I haven't seen any of that since [rehab]," he revealed. "She's done extremely well and she's staying busy."

Donald says he feels confident that the hard times are behind Michael, 73, and Catherine, 48, and their children, Dylan, 17, and Carys, 14.

"It's a hard life being in the public eye — I think things are back in a stable equilibrium," Donald muses. "They are a wonderful couple, they have wonderful kids and everything seems placid." ★

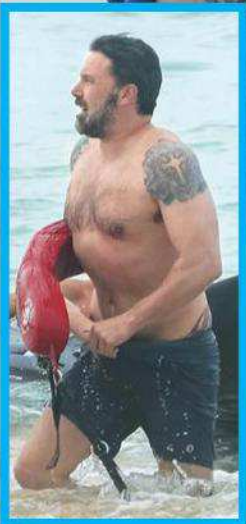

# BLOATED BEN'S BATTY TAT!

Holy midlife crisis, Batman! Jaws collectively dropped — and not in a good way — when **Ben Affleck** unveiled his drastic back tattoo and bloated dad bod on the beach on March 15.

“Nobody knew where to look when Ben took his top off,” sniggers a source on the Hawaii set of his new movie, *Triple Frontier*. “He seemed pretty sheepish, like he knew people were whispering about his horrible tattoo!”

Ben had previously insisted that the ink was fake, and no wonder — a picture of the garish, Kool-Aid-colored phoenix is worth a thousand denials.

“It didn’t help that Ben is really flabby right now,” snipes the spy. “His tattoo only drew more attention to how out of shape he is.” Someone grab him a cape! ★

# SELENA BEEFING UP AFTER BIEBER?

Perennially pin-thin **Selena Gomez** is sporting a fuller figure since splitting from **Justin Bieber** for the umpteenth time.

“For so long she’s been avoiding carbs and calorie counting,” shares a source close to the pop star, 25. “Her friends told her it’s time to stop worrying about diets!”

Selena flaunted her curvy new bod during a postbreakup, girls-only getaway in Sydney, Australia, last month and it seems a change in latitude changed her attitude, too!

“The beauty myth [is] an obsession with physical perfection that traps modern women in an endless cycle of hopelessness, self-consciousness and self-hatred as she tries to fulfill society’s impossible definition of flawless beauty,” she espoused in an Instagram video of her and pals on a yacht. “I chose to take care of myself because I want to, not to prove anything to anyone.” Go and love yourself, girl! ★

## POSH PEEVED

# OVER CONTROLLING CHLOË

If she wants to be his lover, **Chloë Grace Moretz** has gotta get with **Brooklyn Beckham's...** mom? Sources tell *Star* that the ex-Spice Girl **Victoria** is "intensely jealous" of Chloë's spell over her 19-year-old son.

"Victoria feels like she's been replaced as the No. 1 woman in his life," sighs the tipster, noting that the last straw was Brooklyn skipping her mom's New York Fashion Week show to party with Chloë in L.A. for her 21st birthday.

"She was so hurt that Brooklyn chose Chloë over her," details the source. "They had a big blowup about it, and Brooklyn told his mom to butt out of his life. He's sick of being treated like a child." ★

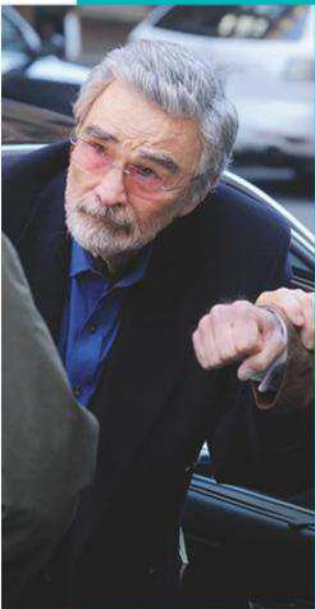

## BURT: HEADED TO NURSING HOME?

After a legendary career — and some very strange behavior as of late — **Burt Reynolds'** worried friends are hoping he makes a Cannonball Run to a nursing home.

"He's been going on TV and saying the oddest things," explains a pal, pointing to one incident on the *Today* show when the 82-year-old was plugging his new flick, *The Last Movie Star*, and inexplicably told **Hoda Kotb** he was "so proud of you for not having your lips larger." Looking somewhat awkward, Hoda replied, "OK, Burt." And those in his inner circle worry that his strange behavior is more than just a quirky sense of humor.

"They're hoping it's not dementia," frets the friend. "But he often seems confused. The fear is that he could walk into a busy street or fall down the steps. They're begging him to go to a home where he would get round-the-clock care." ★

# Baby Joy!

**The 43-year-old actress talks crazy cravings and wanting more kids.**

**W**OMB, there it is! Just months away from welcoming her first child with husband and media mogul **José Antonio Bastón**, **Eva Longoria** spoke to *Star* about motherhood, the Time's Up movement and what it means to raise a son today. "It's been an amazing journey," reveals the *Overboard* star. "I'm in the golden months right now, just enjoying the ride so far, trying to enjoy every moment, because it goes by so fast!"

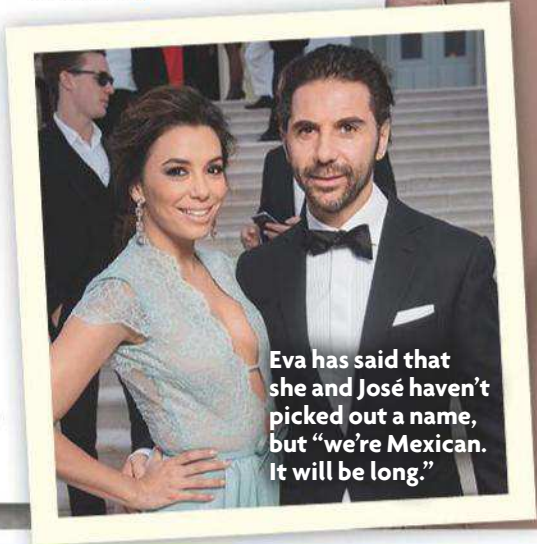

**What are you looking forward to most about being a mom?**  
Meeting him! Meeting his little soul and his little personality and watching him navigate the world. It's all going to be very exciting to witness.

**As a supporter of the Time's Up movement, you've said you plan to raise a "feminist" son.**  
It's a great time to bring a new man into this world. I definitely want to teach him the contributions that women make, not only to society, but to your family and life in general.

**Let's talk about your pregnancy. Any urge for pickles and ice cream?**  
I don't have cravings; I have aversions. Now I hate chicken, and I used to eat it every day!

**What's the first forbidden food or drink you'll have after the baby is born?**  
Wine! I can't wait. Rosé, white, red — I want it all!

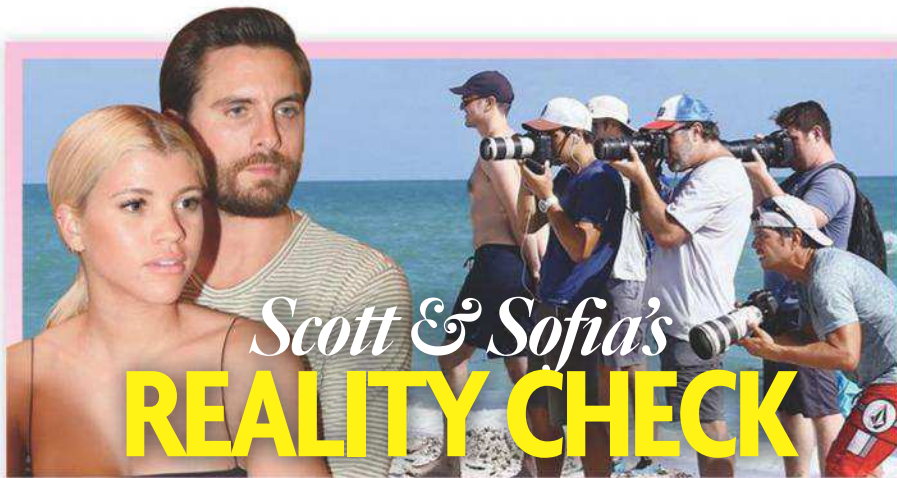

**Do you and José want to have more children?**  
Of course, for sure! But I don't know if that's going to happen. Let's take [it] one baby at a time. ★

Eva has said that she and José haven't picked out a name, but "we're Mexican. It will be long."

## Scott & Sofia's REALITY CHECK

Taking a page out of **Kris Jenner's** playbook? Sources claim **Scott Disick** and his teenage girlfriend, **Sofia Richie**, are in talks to star in their very own reality show!

"Scott learned from the best. He knows this business inside and out and is working to get them the biggest payday possible," tattles the tipster, adding that the 34-year-old's ex, **Kourtney Kardashian**, has no plans to let their children Mason, 8, Penelope, 5, and Reign, 3, appear in the series.

Sofia's father **Lionel** and sister **Nicole** aren't dancing on the ceiling either! Both want a more simple life for the 19-year-old model, says the spy: "Sofia is totally on board, but her family is trying to get her to nix the idea. They don't trust Scott at all and think nothing good will come from this." Lights, camera, tension? ★

## Kate THROTTLES WILLIAM

Keep calm and carry on? That's the last thing an eight-months-pregnant **Duchess Kate** is going to do after **Prince William** was spotted arriving to a March 14 soccer match in South London on a Ducati motorcycle, which can reach speeds of up to 130 mph!

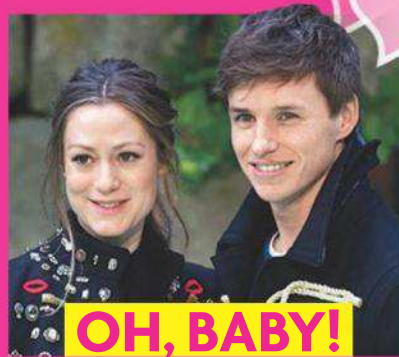

"Kate made William promise to give up his motorcycle after she became pregnant," snitches a source close to the 35-year-old royal, who said that he put his love of bikes on the back burner after **Prince George**, 4, and **Princess Charlotte**, 2, were born. "But he clearly misses it."

The same can't be said for Kate. Last year, she confessed how scared she was for her thrill-seeking husband: "It always fills me with horror when [William] goes out on it. I'm terrified!" And craving some peace of mind... ★

"Hopefully, I'm going to keep **George off it**," **Kate, 36**, has said.

Could there be a new kid on the block? Sources say a broody **Jenny McCarthy** and her husband, **Donnie Wahlberg**, are secretly yearning to hear the pitter-patter of tiny feet!

"Jenny doesn't want to jinx it because she knows getting pregnant won't be easy at her age," admits an insider. "But if it happens, of course she and Donnie would be delighted. They adore being parents and have so much love to give."

The former Playmate, 45, already shares 15-year-old son Evan with her first hubby, actor **John Asher**, and Donnie, 48, has two sons, Xavier, 25, and Elijah, 16, from his nine-year marriage to singer **Kimberly Fey**.

"The kids are getting older, and Jenny thinks it would be so nice to have a baby in the house again," dishes the source, adding that the actress is hoping for a girl. "But for now, they're keeping this quiet, just waiting to see what the future holds." ★

**Brad's Got  
His Back Up**

“At this point, Brad wouldn’t even care about Angie cheating on him,” says an insider. “All he cares about is getting joint custody of the kids — and now he has a chance!”

ANGELINA JOLIE PAINTS HERSELF AS A SUPERMOM, BUT SOURCES SAY SHE STEPPED OUT ON BRAD PITT WHILE *HE* WAS THE ONE MINDING THE CHILDREN.

# ANGIE'S SHOCKING AFFAIR

### Scene of the Crime?

Angie stayed alone in a plush suite like this one at the Waldorf-Astoria, where she allegedly received several late-hour visits from a tall, dark-haired man.

## A WICKED NIGHT AT THE WALDORF

When Angie was staying alone at NYC's Waldorf-Astoria in 2009 while shooting *Salt*, she had a torrid tryst with one of her dialect coaches, according to Anna Kowalski, a

former housekeeper at the hotel. Anna said she was sent to clean Angie's suite one night in mid-July — after the tutor had visited her for hours — and was shocked to find empty vodka bottles on the floor, black rubber sheets on the bed and sex toys, which led her to suspect Angie was cheating on Brad all summer while he was in Long Island with their children.

**I**n her bitter, ongoing custody battle with **Brad Pitt**, it appears that **Angelina Jolie** holds all the cards. During their 12 years together, she played the role of devoted wife and mother to their six kids (Maddox, 16, Pax, 14, Zahara, 13, Shiloh, 11, and twins Knox and Vivienne, 9), while Brad, by his own admission, was trapped in a downward spiral of alcohol and drug abuse.

But now, it may be time to flip the script. Sources tell *Star* that Angelina had a shocking affair with one of her movie dialect coaches — and left Brad to mind the children during steamy, drunken romps that were so passionate, she and her alleged lover trashed a hotel room! “When Brad hears about this, he could use it as leverage in his fight to get joint custody,” dishes an insider. “If I were Angie, I’d be freaking out!”

### HOME SUITE HOME

Details have emerged of the illicit liaison, which is said to have occurred at New York’s Waldorf-Astoria in 2009 while Angie was shooting her spy thriller, *Salt*. According to Anna Kowalski, a housekeeper who was regularly assigned to the *Maleficent* star during her numerous stays at the ritzy hotel, Brad was tending to their brood at a rented mansion in Long Island, N.Y., while Angie had a suite all to herself that summer.

Anna claimed that the actress received several late-night visits from a tall, dark-haired man, one of her dialect tutors. After Angie had a rendezvous with the teacher one night in mid-July, Anna was called up to clean her suite — and was shocked by what she saw.

Calling the scene a “disaster,” Anna described what she viewed as incriminating evidence of a torrid tryst. There was water all over the bathroom and every towel had been used, the maid said, adding that candles and dozens of orchids were strewn about the room — as well as several empty vodka bottles. Going into the bedroom, “the bed was covered with black rubber sheets and there were sex toys on it,” Anna recalled. Earlier that evening, she claimed that she saw the tutor going up to Angie’s suite on a hotel security camera, adding that she had been discreetly informed that he was going to spend a few hours there.

### THE TIDE TURNS

Thanks to Anna’s explosive claims, the custody battle between Angie, 42, and Brad, 54 — which has been dragging on since the couple’s acrimonious split in September 2016 — could turn nasty once again, surmises *Star*’s source. “After a lot of hurtful accusations were thrown around, things seemed to be more amicable lately, but that could change now,” says the insider. “Brad’s had his name dragged through the mud, both as a father and a husband, and he’s reached his limit. This is his chance to go on the offensive.”

Not that Angie will give up without a fight. Keeping up her carefully crafted image, the former Lara Croft took her young kids to see the new *Tomb Raider* movie in Hollywood on March 18. “You can bet she’s going to step out with the kids even more now,” hisses the source. “Angie is desperate to get full custody, and a tawdry affair would blow her case apart — and, worst of all, threatens her relationship with her children. This could be her worst nightmare come true!” ★

### Fractured Family?

Angie, with Zahara, Shiloh and Knox in L.A. on March 18, “would lose the kids if word got out that she cheated on Brad,” tattles a source.

**G  
R!**

**I**n a bid to keep up with her stunning siblings **Kim** and **Kourtney**, **Khloé Kardashian** has transformed her face and figure. But as she prepares to give birth to her first child in April, the surgerized star worries that her bundle of joy will inherit her less-than-refined features!

#### FACING FACTS

“Khloé’s so excited to be a mom, but she’s stressed over what her baby will look like, particularly her face,” frets a friend of the 33-year-old reality star, who is expecting a baby girl with her NBA beau, **Tristan Thompson**. “She knows how hurtful it can be to be compared to other people and doesn’t want her own child to have to endure the same nightmare.”

Indeed, the *Revenge Body* star has been vocal about how her self-esteem suffered at the hands of cruel commenters.

“I’ve always been compared to my sisters, who are beautiful and who have always been. I’m called the fat sister, I’m called the ugliest Kardashian,” she shared. “I could break and go get all this plastic surgery and get my nose fixed and get lipo, but I haven’t chosen to do that because I know I’m a great person. I’m pretty damn hot, if you ask me.”

And a pretty damn big fibber?

#### KNIFESTYLES

##### OF THE RICH AND FAMOUS

Photos (and fans) suggest that Khloé has actually had a little help in her transformation, namely a nose job, lip fillers, cheek augmentation, facial slimming — and even more work on her famously rock-hard body! And while she’s a certified babe now, beauty really is only skin deep.

“You can’t change DNA,” shrugs the source. “The last thing she wants is for her kid to be taunted for her looks. She’s had many sleepless nights fretting over this. But no matter what, that baby will have no shortage of love!” ★

#### Sibling Rivalry

A chubby, brace-faced child, the constant comparisons to her flawless sister Kim “beat up [my] spirit and soul,” Khloé has confessed.

## HARRY'S ROYAL SCANDALS!

### Eye Caught You!

"He had a roving eye and a way with the ladies even when he was with Chelsy," says a palace insider, referring to his on-off relationship with Chelsy Davy from 2004–2011.

### Wet-N-Wild

"Harry was a drinker, smoker and all-night party boy," spills a source. During a night out in Croatia in 2011, he got so wasted, he fell into a pool fully clothed!

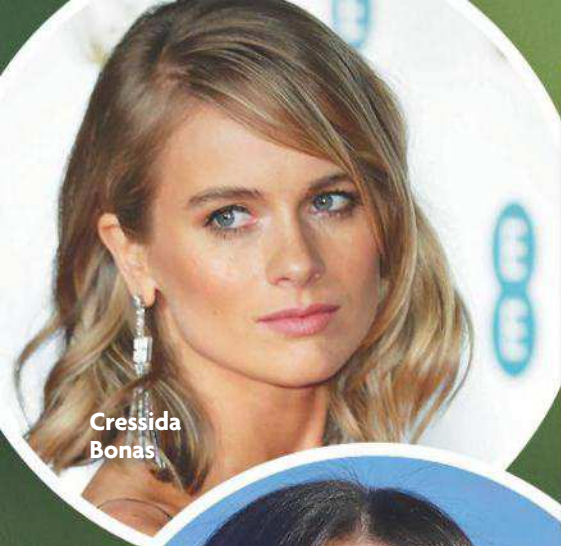

### The Naked Truth

What happens in Vegas... *doesn't* always stay in Vegas. Harry learned that the hard way after a bender in 2012, during which he was snapped in his birthday suit.

LESS THAN TWO MONTHS BEFORE THE ROYAL WEDDING, QUEEN ELIZABETH CAUGHT PRINCE HARRY COZYING UP TO HIS EX!

# HARRY COL

Cressida Bonas

Meghan Markle

### Exes And Ohs

“He’s been chastised by the queen and made to feel massively guilty,” a source tells *Star*. “Hopefully this will all blow over by the time they walk down the aisle!”

# Y'S

# D FEET

**C**AKE? Check. Flowers? Check. Bride? Maybe not! Weeks out from **Prince Harry's** highly anticipated royal wedding, the only element that may

be missing from Windsor Castle on May 19 is **Meghan Markle!** *Star* has learned that Harry's grandmother, **Queen Elizabeth**, caught wind of him spending time with none other than his ex-girlfriend **Cressida Bonas** — and even invited her to his wedding! Terrified of a scandal, Her Majesty has demanded Harry issue a heartfelt apology, but this fiasco could be the final straw for his fiancée.

“It’s an uncomfortable situation for Meghan, who is new to all of this and trying to do everything right while the weight of the world is upon her,” *Star's* palace insider pleads. “But even she has to admit this is too much. This puts her in a difficult spot.”

It’s the second time Harry, 33, has been caught with Cressida, 29, in the lead up to their big day and Meghan, 36, is finally getting wise to his wild antics. Now, *Star's* source says his bride-to-be may reconsider saying “I do” to a man who seems less than trustworthy.

### ROYAL REUNION

Harry's latest encounter with Cressida follows a rendezvous on Dec. 5 to go caroling with members of **Duchess Kate's** family to help raise money for schools in Uganda.

“Meghan was in L.A. at the time, visiting her mother,” notes our tipster, so did the mouse play while the cat was away? The redheaded royal certainly had a hot and heavy romance with the model from 2012 to 2014, but Cressida called things off when she realized she would have to make a slew of queen-commanded compromises to be his wife — including putting

her acting career on hold! According to friends of Harry, he was left shell-shocked and brokenhearted.

“Cressida knew in her heart this wasn’t what she wanted,” spills a pal. “Harry suffered a real blow when she said, ‘I can’t do this.’ I think she really broke his heart.” Their bond, however, didn’t sever quite as easily.

“He doesn’t want to upset his grandmother or Meghan, but he’s refusing to end his friendship with Cressida,” *Star's* tipster tattles. “Harry never really got over Cressida dumping him. He still cares a great deal for her.”

And she for him, apparently. *Star's* insider says Cressida has been helping to quell Harry's prewedding jitters. How? Well, that's anybody's guess...

“Cressida has a way of calming him down,” adds the insider. “When the queen found out, she was furious.”

### WEDDED BLITZ

Meghan, though, may be more outraged. Friends say the *Suits* star is beside herself with the very thought that Cressida — a blue blood Brit who fit seamlessly into Harry's high-society circles — will be in attendance on *her* special day.

“Meghan would rather Cressida not be there, but the invitations are already out,” the royal insider reveals. However, adds the source, if there is any hint of indiscretion between the two, “Cressida will be thrown out of Windsor Castle.”

Now, Harry is working overtime to keep *all* the women in his life happy. “Harry obviously didn’t realize it would upset Meghan. He wouldn’t want to do anything to wound the woman he loves,” says the tipster. “He promised he’ll be on his best behavior, and Meghan has accepted that... for now.” ★

# BON ANNIVER

IN HONOR OF CÉLINE'S **50TH BIRTHDAY**, STAR HAS **50 FACTS** ABOUT HER CHART-TOPPING HITS, CONTROVERSIAL ROMANCE AND HER (MANY) FASHION FAUX PAS!

**6.** At 18, she told René she wanted to be a star — just like Michael Jackson...

**7.** But before she could fire up her star power, she had to get dental surgery to revamp her smile!

**1.** Born March 30, 1968, in Charlemagne, Quebec, Céline Marie Claudette Dion is the youngest of 14 children!

**2.** She was named for a French song, and her family toured Canada as a musical group.

**3.** The Dions owned a piano lounge, where Céline began belting tunes at just 5 years old.

**4.** Céline's late husband, René Angélil, discovered her when she was 12 — and mortgaged his house to finance her debut album, *La Voix du Bon Dieu*.

**5.** At 16, she sang "Une Colombe" at the Montreal Olympic Stadium for a crowd of 65,000 — including Pope John Paul III!

**8.** Céline started dating René when she was 19 — and he was 45.

**9.** She strained her voice on tour in 1989 and didn't speak for three weeks to avoid undergoing surgery.

**10.** She scored her first Top 10 Billboard hit with "Where Does My Heart Beat Now?"

**11.** Her duet with **Peabo Bryson** on the title track of *Beauty and the Beast* cemented her star power, charting in the top 10 in both the U.K. and the U.S.

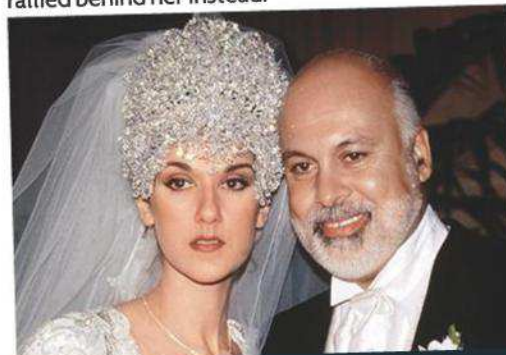

**12.** The song earned Céline her first Grammy, for Best Pop Duo Performance.

**13.** She refused to accept the 1991 Félix Award for English Artist of the Year, insisting she was a *French* artist.

**14.** Céline revealed her relationship with René, which had been a secret for years, in the liner notes of *The Color of My Love*.

**15.** The album birthed "The Power of Love," her first No. 1 single in the United States, Canada and Australia.

**16.** She expected fans to be opposed to her relationship with René — but they rallied behind her instead.

**17.** Céline and René got married in 1994, when she was 26 and he was 52 — officially twice her age!

**18.** By that time, she already had four U.S. top singles, three multiplatinum albums and a Grammy.

**19.** Céline's mom, Thérèse, didn't approve of René. "It was not the person that she wanted for me," Céline has said, but the singer insisted: "Mum, I really love him."

**20.** The wedding was broadcast live on TV in Canada.

**21.** It took place at the Notre-Dame Basilica in Montreal and drew hundreds of devotees.

**22.** The bride wore a lavish long-sleeve ballgown designed by Steve and Mirella Gentile.

**23.** The dress required 1,000 hours of labor and 90 yards of Italian silk and French lace, and featured a 20-foot train.

# SAIRE, *Céline Dion!*

**24.** She also wore a seven-pound tiara fashioned from 2,000 Austrian crystals, which had to be woven into her hair!

**25.** Céline was regarded as one of the world's best-selling recording artists when she sang the smash hit from *Titanic*, "My Heart Will Go On."

**26.** The song won an Oscar and Golden Globe for Best Original Song and scored Céline two more Grammys.

**27.** But the anthem almost never happened! "I did another song for a movie before," Céline explained, "and I thought we were pushing our luck."

**28.** The first take of the tune was meant to be a demo but ended up being the official recorded version.

**29.** By the end of the '90s, Céline had sold more than 100 million albums worldwide.

**30.** In 2000, she and René had a Byzantine-themed vow Renewal in Las Vegas; the bride wore gold!

**31.** After years of fertility treatments, Céline gave birth to son René Charles in 2001 — and had him baptized at the Montreal basilica where she was wed.

**32.** In 2003, Céline decamped for Vegas for a four-year residency, during which she sold nearly three million tickets.

**33.** More IVF treatments resulted in the 2010 birth of twins Nelson, named for Nelson Mandela; and Eddy, for French songwriter Eddy Marnay.

**34.** That same year, Céline announced her return to Vegas — a residency at Caesars Palace.

**35.** The March 2011 opening performance sold out in minutes.

**36.** The residency was originally planned for a three-year run, but has been a smash success for seven!

**37.** After several extensions, the run is slated to conclude in June.

**38.** Céline earns \$500,000 per Vegas performance — and has an estimated net worth of \$400 million.

**39.** She has no words of wisdom to offer *Lady Gaga*, who will kick off her own Vegas residency in December. "This girl knows exactly what she's doing," Céline declared.

**40.** Céline's residency took a year-long hiatus from 2014–15, while she looked after René, who was battling throat cancer.

**41.** René passed away at 73 years old in January 2016; he was "liberated from his pain" following "three years of agony," Céline said.

**42.** René was "the only man I've loved," Céline revealed, "the only man I've kissed."

**43.** A month after his death, Céline performed a heartbreaking rendition of "All by Myself," struggling to finish the song.

**44.** Céline has called *Aretha Franklin*, *Michael Jackson*, *Carole King* and *Barbra Streisand* her idols — and she's performed with them all.

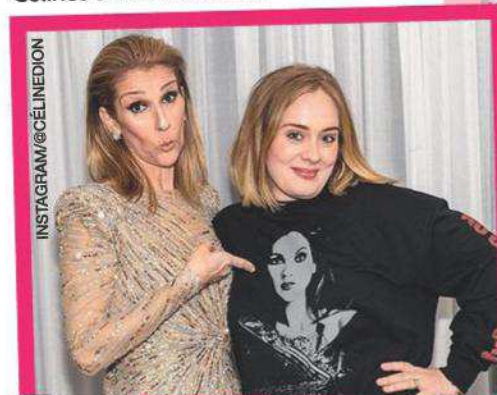

**45.** Besides French and English, Céline has also performed in Spanish, German and Japanese.

**46.** Despite never graduating high school, she received an honorary doctorate from a Quebec university, which she dedicated to her husband.

**47.** She admitted to owning 10,000 pairs of shoes: "You can call it crazy."

**48.** In 2006, Céline's mother founded an education foundation at the site of Céline's childhood home.

INSTAGRAM/@CÉLINEDION

**49.** Adele is a big fan — and went to one of Céline's shows wearing a sweatshirt emblazoned with the singer's face.

**50.** Céline has undergone a fashion rebirth since hiring celeb stylist Law Roach — but insists that her much-maligned John Galliano backward tux from the 1999 Oscars was "avant-garde at the time." ★

# RICHES To RAGS

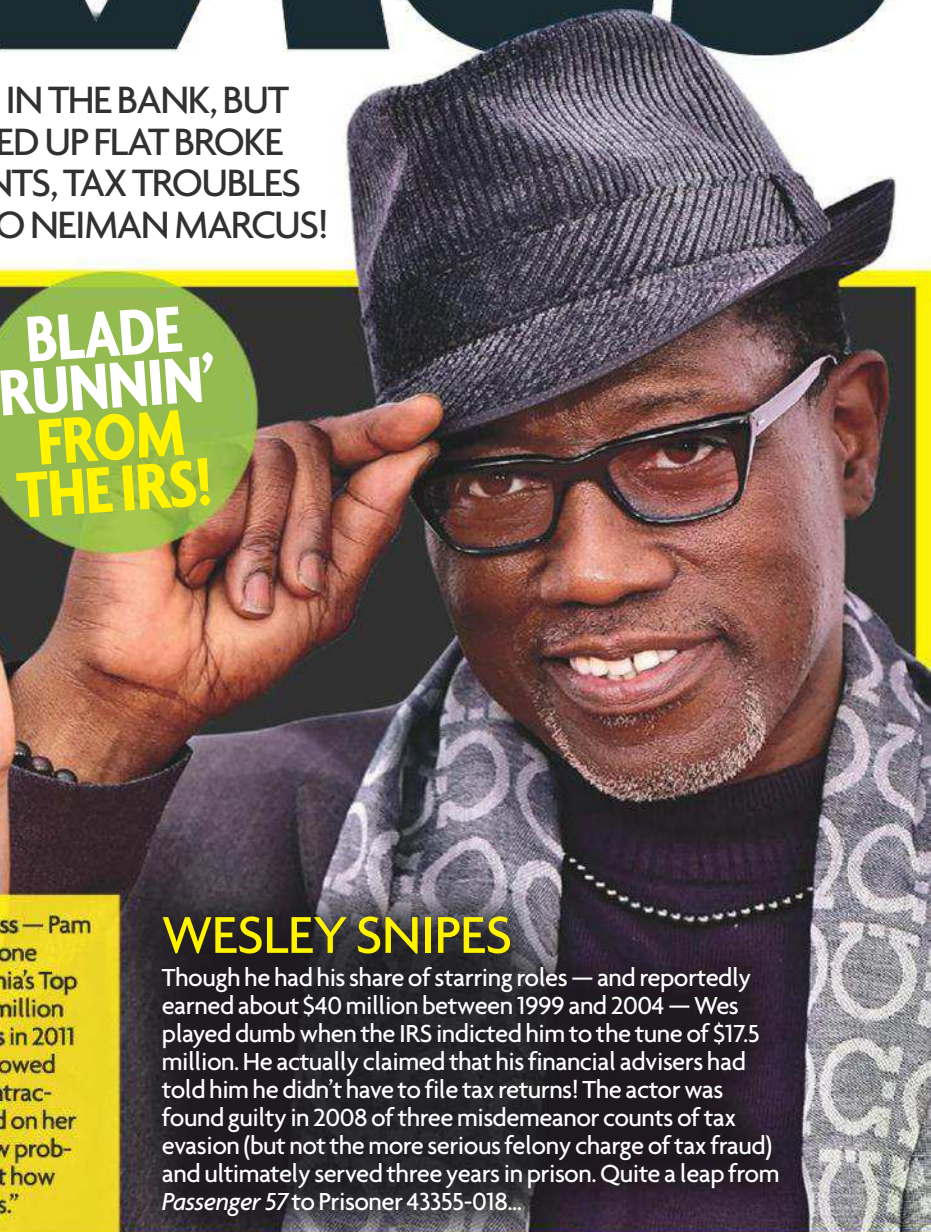

THEY ONCE HAD MILLIONS IN THE BANK, BUT THESE SPENDY CELEBS ENDED UP FLAT BROKE THANKS TO BAD INVESTMENTS, TAX TROUBLES AND ONE TOO MANY TRIPS TO NEIMAN MARCUS!

PAMELA  
ANDERSON

Baywatch babe, rock-star bride, sex-tape temptress — Pam has had her share of noteworthy distinctions. But one lesser-known achievement is her place on California's Top 500 Delinquent Taxpayers list. The IRS filed a \$1.7 million lien against the bombshell in 2009, and two others in 2011 totaling more than \$370,000. She also reportedly owed about a million bucks to five separate building contractors whom she had failed to pay after they worked on her home. Pam, however, blissfully denied all cash flow problems, saying, "I'm financially secure and touched at how much concern has been expressed for me over this."

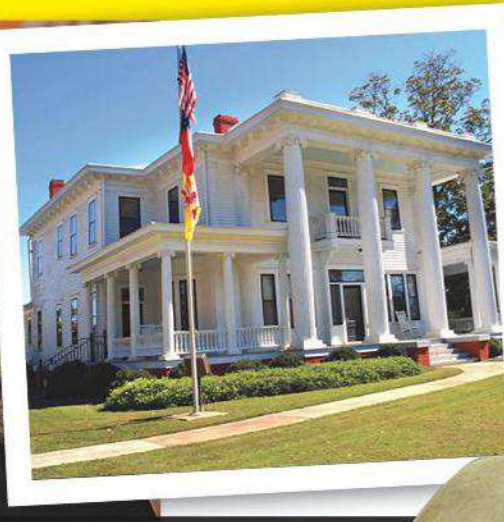

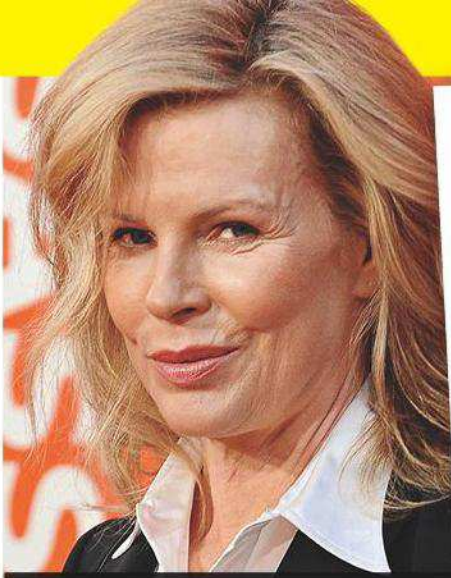

BLADE  
RUNNIN'  
FROM  
THE IRS!

WESLEY SNIPES

Though he had his share of starring roles — and reportedly earned about \$40 million between 1999 and 2004 — Wes played dumb when the IRS indicted him to the tune of \$17.5 million. He actually claimed that his financial advisers had told him he didn't have to file tax returns! The actor was found guilty in 2008 of three misdemeanor counts of tax evasion (but not the more serious felony charge of tax fraud) and ultimately served three years in prison. Quite a leap from *Passenger 57* to *Prisoner 43355-018*...

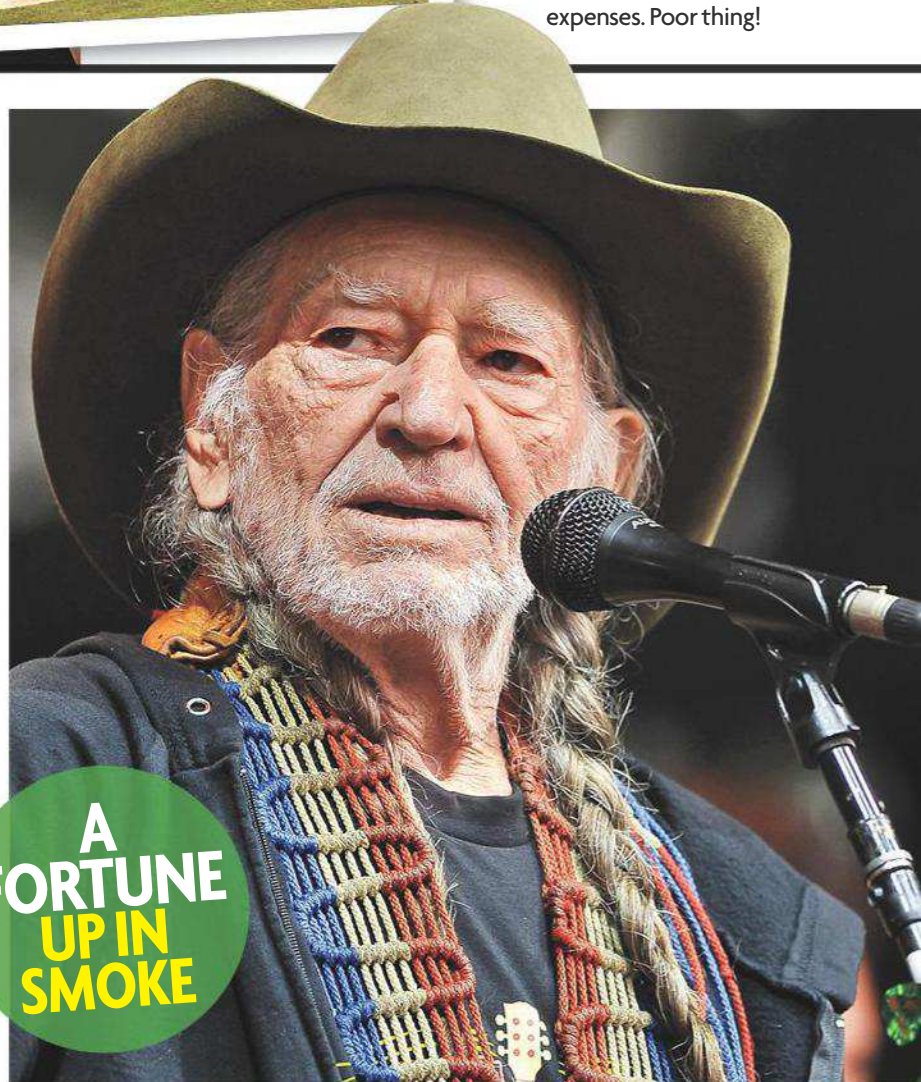

## KIM BASINGER

After Kim bailed on the 1993 film *Boxing Helena*, Main Line Pictures sued her for more than \$8 million. The suit was settled for less than half that, but the star still filed for bankruptcy that year, trashing her plans to revitalize the small town of Braselton, Ga., which she'd bought with some investors. Despite these struggles, Kim reportedly continued to live lavishly out of three homes on both coasts and still dropped \$31,000 a month on clothes and other expenses. Poor thing!

## LENA HEADEY

She may play a queen on *Game of Thrones*, but in 2013, Lena was reduced to pauper status, saying she had "less than \$5" in her bank account. Though she reportedly earned about \$1 million per episode on the HBO hit, the star claimed that her nasty divorce from Irish musician **Peter Dinklage** had caused the cash crunch. She had to sell her Hollywood home — at a \$340,000 loss — and rely on a tax refund to make ends meet. And we thought Lannisters always paid their debts!

A FORTUNE UP IN SMOKE

## WILLIE NELSON

In 1990, the IRS calculated that Willie owed \$32 million in back taxes, so Uncle Sam seized most of his assets, including his recording studio, many of his instruments, his Texas ranch and about 20 other properties, forcing him to declare bankruptcy. Fortunately, the feds left him with his beloved six-string Trigger. "As long as I got my guitar, I'll be fine," the rebellious country legend said at the time. He meant it, too: Willie recorded the album *The IRS Tapes: Who'll Buy My Memories?* and started shilling for Taco Bell; he also successfully sued the accountants he claimed had gotten him into trouble in the first place. By 1993, he was paid in full, and it was nothing but blue skies from then on.

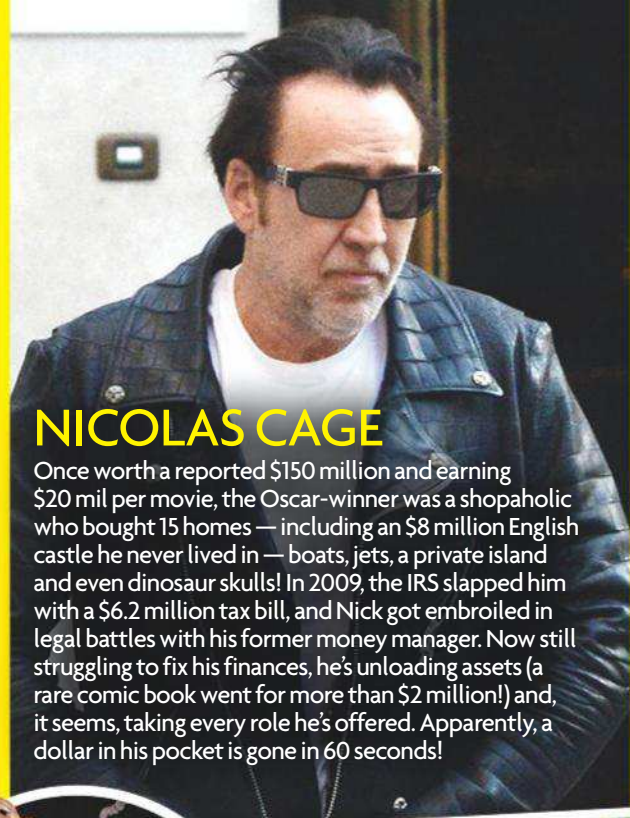

# RICHES To RAGS

## TONI BRAXTON

The “Un-Break My Heart” diva also needed to un-break her finances — twice! She first declared bankruptcy in 1998, after racking up a \$20,000 American Express bill and monthly expenses of more than \$43,000 that she couldn’t pay. A 2000 album helped her land a long-term Las Vegas residency, but she canceled the contract prematurely and by 2010 filed bankruptcy again, claiming to be between \$10 million and \$50 million in debt. Six months later, Toni scored with the reality series *Braxton Family Values* — and to celebrate, reportedly bought a \$3 million mansion.

## HOME SWEET HOME?

## NICOLAS CAGE

Once worth a reported \$150 million and earning \$20 mil per movie, the Oscar-winner was a shopaholic who bought 15 homes — including an \$8 million English castle he never lived in — boats, jets, a private island and even dinosaur skulls! In 2009, the IRS slapped him with a \$6.2 million tax bill, and Nick got embroiled in legal battles with his former money manager. Now still struggling to fix his finances, he’s unloading assets (a rare comic book went for more than \$2 million!) and, it seems, taking every role he’s offered. Apparently, a dollar in his pocket is gone in 60 seconds!

## NIC'S NATIONAL TREASURES!

## TORI SPELLING

For a reality star, Tori can't seem to face the reality of her financial situation. After being sued by American Express for bailing on bills totaling more than \$125,000 in 2016, she blithely announced that she and hubby **Dean McDermott** are "not bankrupt, not struggling, just fine." The defaulting duo continued on their merry way — but were recently smacked with a lawsuit from City National Bank for failing to repay a \$400,000 loan. But instead of the poorhouse, they moved into a new — bigger — home where the monthly rent is a reported \$10K. True sTori: She needs to get a grip!

## BRENDAN FRASER

In 2013, Brendan pleaded poverty, saying he could no longer afford his \$900,000-a-year child support payments. The star — who has three kids with ex-wife **Afton Smith** — claimed that "medical issues," including back pain incurred while moving a fallen tree in the wake of Hurricane Sandy, kept him from taking acting jobs. Conveniently, his divorce agreement reportedly had a provision that would allow a reduction in payments if *The Mummy* man made less than \$3 million a year, but his ex insisted he had plenty of cash socked away... in a sarcophagus, no doubt.

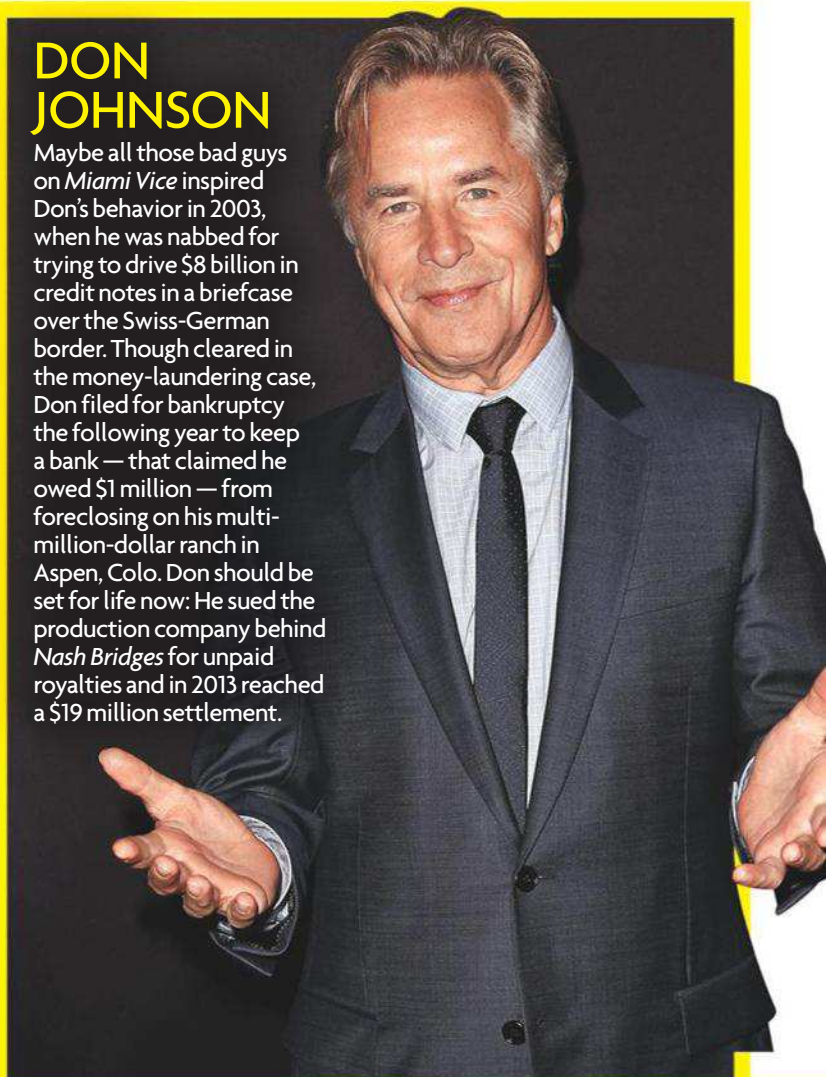

## BILLY JOEL

No stranger to going bust, Billy has declared bankruptcy several times, most infamously in 1989. That's when he blamed his financial problems on former manager Frank Weber, who he said siphoned \$30 million from him. Adding insult to injury, Weber was the piano man's ex-brother-in-law and the godfather of his daughter, Alexa Ray. He sued Weber to the tune of \$90 million for fraud and misappropriation of funds, but they settled out of court — after Weber filed for bankruptcy himself!

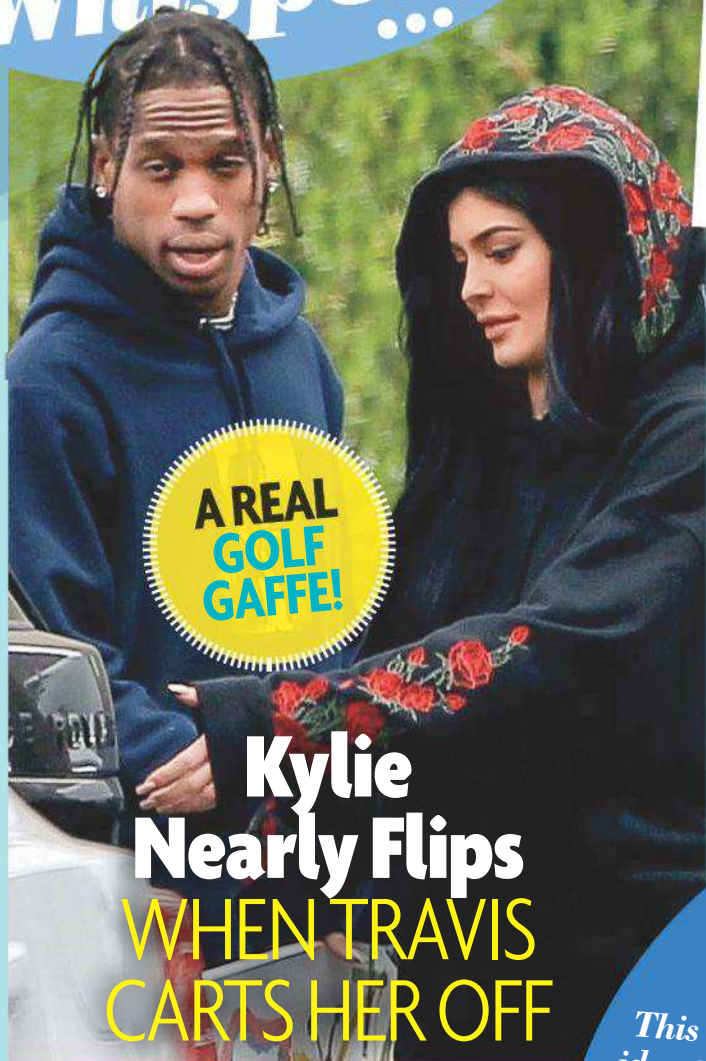

## DON JOHNSON

Maybe all those bad guys on *Miami Vice* inspired Don's behavior in 2003, when he was nabbed for trying to drive \$8 billion in credit notes in a briefcase over the Swiss-German border. Though cleared in the money-laundering case, Don filed for bankruptcy the following year to keep a bank — that claimed he owed \$1 million — from foreclosing on his multi-million-dollar ranch in Aspen, Colo. Don should be set for life now: He sued the production company behind *Nash Bridges* for unpaid royalties and in 2013 reached a \$19 million settlement.

## Kylie Nearly Flips WHEN TRAVIS CARTS HER OFF

Talk about getting kicked to the curb! Motherhood has been smooth sailing for **Kylie Jenner**, but a joyride with her beau was far bumpier. The trouble began when a well-meaning **Travis Scott** persuaded his galpal to leave baby Stormi with the nanny and go for a spin in their golf cart.

Only his bad driving skills had quite the butterfly effect on his baby mama!

"Travis ended up hitting a curb and was up on two wheels," rattles a spy from Kylie's Hidden Hills enclave. "She was frightened and furious. She screamed, 'I'm a mother now you have to be more careful!' then ordered the suddenly sullen Scott to snail it slowly back to the house!"

## Mary & Ted's Not So EXCELLENT ADVENTURE

Heading to a neighbor's house, **Ted Danson** found the good place... to get stuck! A stroll to their friend's potluck party was no walk in the park for the actor and his wife, **Mary Steenburgen**; the pair made the mistake of toting huge and heavy cast-iron crockery and were so laden with goodies, they literally had to stop in their tracks and hitchhike! "The couple made it halfway to the bash before giving up," says a star spotter. "Mary stuck out her thumb, hoping a kind local would give them a lift." Sure enough, a nice neighbor promptly pulled over, adds the witness. "The good Samaritan drove them the rest of the way down the road!"

## WHO COULD IT BE NOW...

*This larger-than-life star has no idea that his dopey adult kid has been shopping around a script idea so crazy, vulgar and obscene that even the most jaded Hollywood honchos are reeling. The legend's mortified pals pray that he never sees the pornographic pitch and want his spoiled offspring to trash the off-putting project before daddy dearest finds it and has a heart attack!*

## *The Sophisticate*

Cleopatra kicked off the cat-eye trend back in ancient Egyptian times. Ever since then, celebs like **Olivia Culpo** have been rocking the timeless look. And for good reason — the clean, black line helps to lift the eyes and play up their color.

**How To:** Using a liquid marker or gel, rim the liner along the top lid from inner to outer corner. Then create the wing by angling the color up toward the tail of the eyebrow.

Ronan

## The Minimalist

For ladies who like a less-is-more look, like **Saoirse Ronan**, the reverse cat-eye has become a cool-girl take on the classic style. While subtle, it helps elongate round or small eyes, making them appear bigger.

**How To:** Using a smudge-proof pencil or powder shadow, rim the color on the outer edge of top and bottom lids, then drag the color out, creating a short, straight, pointed line.

## *The Fashionista*

Mashing up a wash of colorful shimmer shadow with a wing, à la **Kerry Washington**, serves up major glamour. Bonus: It makes narrow or dark eyes appear brighter and more open. **How To:** Apply a shimmery shadow over the entire top lid. Using a matching liner, draw the wing overlapping and blending with the shadow, then extend upward. Finish by tracing over the wing with some shadow to keep the color and shimmer consistent.

# Cat Eye...FOR EVERY PERSONALITY!

Zoë  
Kravitz

## The Risk-Taker

There is nothing cooler than a negative-space cat-eye. The graphic style allows trend-setters to show off their edgy style — just like **Zoë Kravitz**, who rocked a two-toned version of the look. A side benefit: It creates the illusion of a crease for those with monolids.

**How To:** Using a liquid or waterproof double-ended liner, draw a line across the upper lid from the center to outer corner, extending out with the wing. Then, using the crease of the lid as a guide, draw a second line in a contrasting shade, connecting it to the wing.

**Urban Decay 24/7 Glide-On Pencil, Double-Ended Pencil, \$18, [urbandecay.com](http://urbandecay.com)**

In stores April 3

Find yourself staring at the blank plate before you? Reach for something in the distance — like Cavallari's cookbook! Filled with recipes free of gluten, dairy and refined sugar, the *Hills* alum proves clean eating doesn't have to be boring.

"Eighty percent

of the time, I eat exactly like the recipes you'll find in this book, and the other 20 percent, I eat whatever I want," writes Cavallari, who opts for grass-fed meats and wild-caught fish. "I started to notice that my energy improved, my skin was the best it had ever been [and] I was sleeping like a baby. Plus, I was eating the most food I had in years — and that was reason enough for me!"

## EVERY DAY I'M HUSTLING

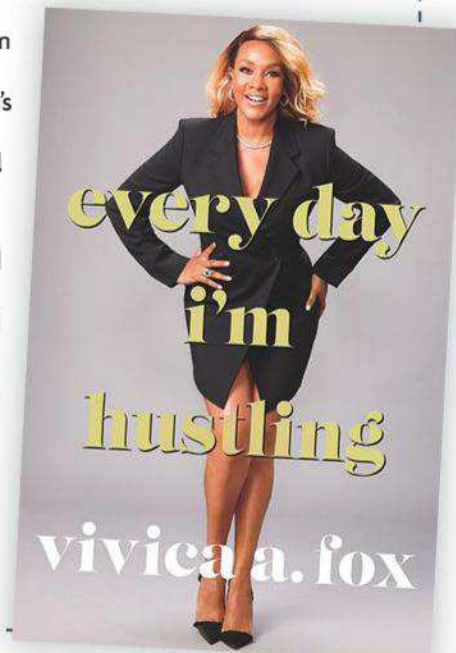

**Vivica A. Fox** In stores April 3

In her motivational memoir, Fox shares love lessons from her most infamous relationships, including **50 Cent**, as well as tricks for looking younger and behind-the-scenes stories from her biggest movies, such as **Uma Thurman's** life-changing advice during *Kill Bill* and **Will Smith's** pep talk on *Independence Day*.

"I had a Victoria's Secret job booked and I said, 'Mom, I can't go,'" Tyra said of her first heartbreak. "She shook my arms and she took my face and she said, 'My daughter will never miss work for a man. Pack your bags, and I'll be there with you.'"

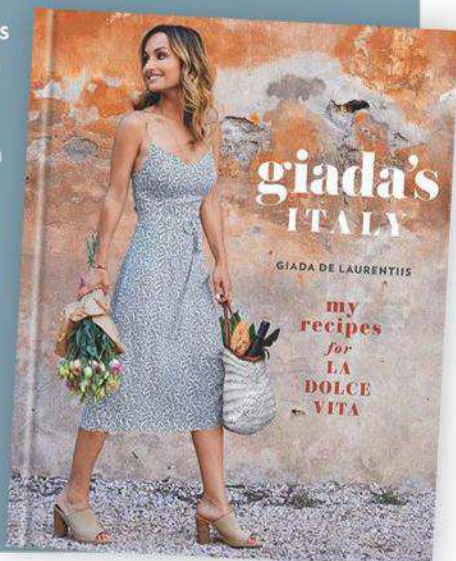

## GIADA'S ITALY

"Like me, the recipes in this book are Italian through and through, yet completely at home in the American kitchen," dishes the Food Network star, whose 10-year-old daughter Jade served as a taste tester.

"I hope they help you rediscover the simple pleasures of feeding food you feel good about to the people you care about."

# Star BURNING Questions

## Will **Justin** say Bye, Bye, Bye to the Big Apple?

**CAN'T STOP  
THE CLOSING!**

Perhaps **Justin Timberlake** truly is a man of the woods! The singer and his wife, **Jessica Biel**, have put their sleek New York City penthouse on the market for \$8 million. Perched atop the Soho Mews, this 2,598-square-foot apartment has three bedrooms and three bathrooms, including the master, which features a two-person soaking tub in front of a huge window with views of... the

building across the street! (Future residents will enjoy a 24-hour doorman, on-site parking garage and a state-of-the-art fitness center.) But before you cry JT a river, there's one thing you should know. The couple, who are parents to 3-year-old son Silas, purchased a posh Tribeca duplex — double the size of this “starter” home — last summer for a whopping \$20.2 million! ★

**BON  
APPÉTIT!**

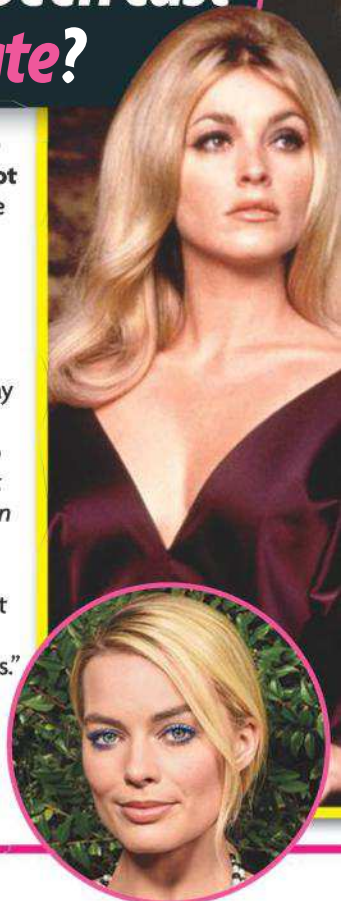

## Is **Katy** a bad kisser?

*American Idol* contestant **Benjamin Glaze** got a smooch from **Katy Perry** — and he definitely didn't like it! After he confessed to having never been kissed, the pop star surprised the Oklahoma native with a peck, but it didn't go over well. “I was raised in a conservative family and I was uncomfortable immediately,” Benjamin, 20, admitted after his audition aired. “I wanted my first kiss to be special.” ★

## Who hasn't been cast as **Sharon Tate**?

Talk about blonde ambition! **Kate Bosworth**, **Hilary Duff** and **Margot Robbie** are set to play Sharon Tate in three different films timed to the 50th anniversary of the grisly Manson Family murders. But not every project has received the approval of Sharon's loved ones...

When asked who should portray the slain actress in a biopic, her sister Debra chose Margot — who is in talks to play the petite starlet in **Quentin Tarantino's** *Once Upon a Time in Hollywood* — for “her physical beauty” and threw her support behind Kate's *Tate* project because she is “very Sharon-like: kind-hearted, gentle and generous.” Hilary, on the other hand, was slammed by Debra for portraying the late actress in *The Haunting of Sharon Tate*, calling the flick “classless” and “exploitative.” ★

Hater's gon' say the 853-square-foot wraparound terrace, master bath with statuary marble and designer kitchen is fake! But it's so real.

Don't count your suitors before they hatch, Becca!

## Is Becca chickening out already?

Why did the chicken cross the road? To get the First Impression Rose! *Bachelorette* creator **Mike Fleiss** shared several behind-the-scenes photos of **Becca Kufirin** arriving at the mansion to meet her new suitors, including one man in a chicken costume. ## THE WRINKLE REMEDY FROM WITHIN?

Why does skin look worse with age? Why does it get thin, spotted and start to sag? And is there a way to stop or reverse it? The recent craze in collagen supplements might give us a clue.

### THIN SKIN?

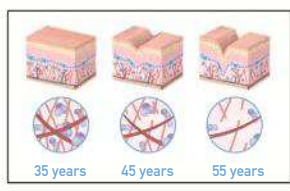

With age, our skin starts thinning, which creates wrinkles and sagging. When we try to get back the smooth and thick skin of younger years, we use outer skin treatments. But the answer might be to look within and to consider collagen and so-called "Beauty from Within" supplements.

The tiny tablet that helps your skin produce more collagen

### WHAT IS COLLAGEN?

Collagen is a protein that holds things together strongly. And when you have a lot of collagen in the skin, it will be thicker, smoother on the surface, and thus younger looking.

### WANT TO LOOK YOUNGER?

So how do we get more collagen in the skin? Collagen creams don't reach deep dermal layers, so most of the effect may be lost. Pure collagen tablets seem to get digested by the stomach and might never

reach the skin. The new trend is to get the skin to produce more collagen by itself, with targeted active nutrients.

### PROMOTING COLLAGEN FORMATION

New Nordic has produced clinically proven tablets, to promote collagen formation in the skin, using nutrients from pomegranate, algae, and tomato. The high amounts of vitamins C, the astaxanthin, zinc and type 1 collagen can all help promote collagen formation in the skin, as well as protect it from collagen breakdown.

In a 2 months study conducted in France, Skin Care™ Collagen Filler showed to significantly improve hydration, skin elasticity, skin tone, skin firmness and reduce skin wrinkles in just 56 days.\*
