Teetan, Lloyd and Pike to ride at Dester Singapore Gold Cup meeting

The Singapore Turf Club has granted one-day visiting jockeys' licences to three jockeys, Karis Teetan, Jeff Lloyd and William Pike for the Dester Singapore Gold Cup meeting on Sunday, 12 November 2017.

The three jockeys will ride in the Singapore Gold Cup and will also be booked in other races on the undercard.

haul of 50 winners in that rookie season. After another prolific season in 2015-2016 when he finished third on the log, he had a quieter season in 2016-2017, but has bounced back with an early brilliant form in the new term, sitting in third spot on 19 winners, nine winners astern of current leader Joao Moreira (28).

Besides the EW Barker Trophy and his Group wins earned in South Africa, namely the Group 1 Cape Derby and Group 1 Daily News 2000 with **Jackson**, and the Hong Kong Classic Cup, Hong Kong Chairman's Trophy, Hong Kong Premier Bowl at Sha Tin, Teetan also landed the Keeneland Korea Sprint aboard the Tony Millard-trained **Super Jockey** in Seoul last year.

Teetan goes to scale at 50kgs.

Karis Teetan

Mauritian-born Karis Teetan, 27, will try and emulate his Group-winning pit-stop visit last year when he landed the Group 2 EW Barker Trophy aboard **Lim's Cruiser** for trainer Stephen Gray.

With a riding career spanning 12 years, the South African-trained rider, who is currently licensed by the Hong Kong Jockey Club, has tallied up in excess of 800 winners in South Africa and Hong Kong.

Runner-up on the South African apprentice jockey championship in the 2009-2010 season, Teetan relocated to Hong Kong three years later in August 2013, getting off to a flying start at his very first ride aboard **Amazing Always**.

He went on to bring up an outstanding

Jeff Lloyd

Born in England, Jeff Lloyd, 56, carved out an illustrious riding career in South Africa until 2007 when he migrated to Australia where he stunningly won the champion jockey title in Brisbane last year at the age of 55 – the

oldest jockey to do so in Brisbane - three years after he suffered a stroke and was told he would never ride again.

With a rich experience spread over 42 years, Lloyd has booted home in excess of 5,000 winners, including 94 at Group 1 level. In South Africa, he boasts five J&B Metropolitan wins, three Queen's Plates and one Summer Cup, and has been associated with legendary horses like **Wolf Power** and **Tommy Hotspur**.

In Australia, Lloyd is better remembered for his first Group 1 win aboard **Nom Du Jeu** in the 2008 Australian Derby and his record-breaking seven wins on the Sunshine Coast on 30 November 2016. Other feature wins include the 2012 Group 1 Tattersall's Tiara with **Pear Tart**, the 2017 Magic Millions 2YO Classic and 2017 Group 3 Champagne Stakes, both with **Houtzen**.

Lloyd, who also spent three seasons in Hong Kong after he moved to Australia, has won 16 jockeys' premierships in a number of countries, including the first three as an apprentice jockey in South Africa, six senior titles in South Africa, five in Mauritius and the past two in Queensland.

Singapore is not uncharted territory for Lloyd as he did win the time-honoured race he will ride in on Sunday, the Singapore Gold Cup, with the Patrick Shaw-trained **Mr Line** in 2006.

Lloyd goes to scale at 53kgs.

William Pike

The 31-year-old jockey, Pike, will be at his third Singapore visit. After finishing eighth aboard **Lim's Samurai** in the Group 1 Patron's Bowl on 18 June, 2017, he fared a lot better in the Group 1 Emirates Singapore Derby three weeks later, with a second place aboard the same horse behind **Infantry**.

Unsuccessful at his first visit, William Pike did not go home empty-handed the second time around, bringing up two wins aboard **Chairman** and **Mr Crowe**, both for ex-Kranji trainer Laurie Laxon.

The dominant jockey in Perth in the last decade, Pike boasts more than 1,800 winners over a period of 15 seasons, including five at Group 1 level, namely the Perth Cup and WA Derby twice, and one Railway Stakes, 38 at Group 2 and 3 level.

Besides Singapore, Pike did ride in Hong Kong with success in 2009 and 2012.

Pike is again well clear on the 2017/2018 Perth metropolitan log, leading on 35 winners, 22 clear of the next best, Chris Parham.

He goes to scale at 53kgs. ☑

Graded with ★★★ 3 times more likely to win!

While lady luck plays a part in racing, the trackwork and training directed by the trainer, the form and recent performances of jockey over such distance, as well as the form and potential of runners are the three critical factors to win a race. Our IT professionals and racing experts have put these information together and derived a simple Three-Stars-Rating. It is another pioneering initiative launched after our highly-regarded *iformrate* computerized rating. From now on, punters need not spend much time to flip and read lots of information. In simple words, just remember to look out for horses that are graded with 3 stars the symbol of highest level for all these three essential factors and is 3 times more likely to win in that race!

Thank you for your support. We will continue to strive our best to bring more value to you, hoping that you will WIN More!
