Hot Cora Skinner in lingerie is a nice surprise

I hate pink! Hate the color, hate the mood, hate the attitude but I most definitely love the sultry outfit before me and the bombshell wearing it, the hottest girl you'll get to see today! The stunning Cora Skinner will make your head spin like Taz on turbo mode - you remember Taz, the Tasmanian Devil, right? Anyway, this dose of sex appeal is coming to you via Brosome and courtesy of Leg Avenue and their lingerie collection. Yes, please!

If you're a loyal reader of our site, you've probably drooled over the scorching hot Cora Skinner countless hours before, and yet we give you another time-waster today. I'm already pretty addicted to her lovely curves, and I'm betting so are you. This brunette bombshell is here, doing what she probably does best.. and in case you're completely clueless, or blind, it's showing off her killer curves once again. Although only mentioning her curves isn't fair!

Cora is amazing from head to toe, from front to back and so on, her curves, her beautiful eyes, her lips, her ravishing thighs.. I could go on and on all day, and night. I guess that's how she'd like it! Enjoy her roller-coaster curves in a variety of skimpy lingerie!

ON THE COVER: CORA SKINNER

LOVELY COMPLEX

Cora Skinner was born in Alexandria, Virginia and grew up in Creston, California. She was a tomboy while growing up at a 70-acre ranch. As a child, she was involved in dance, track and field, gymnastics, diving and cheerleading. She became interested with modelling when her sister was studying to be a fashion designer. While attending California State University, Long Beach, she began pursuing modelling. She competed in an international swimsuit competition and won Top Ten title. Afterwards, she signed with an agency and began pursuing modeling full-time.

Skinner has appeared in pictorials and features in Maxim USA, Maxim in Spain, FHM (USA), Maxim Belgium, Muscle & Fitness, and Playboy's lingerie catalog. Skinner has been featured on her own set of Bench Warmer model trading cards. "These cards, which have also featured Pamela Anderson, Traci Bingham and even actress Charisma Carpenter, are traded just like baseball cards." Skinner debuted on the model trading cards in 2006. She was brought back in 2007 for the Gold Card series of the model trading cards. Skinner has been featured on the magazine cover photo of Hot Bike and Import Tuner.
