We've been missing Michea Crawford and her foxy self

Good lord, is she drop dead gorgeous or what !?? She's oozing serious sex appeal in this photoshoot where everything is just right,, the skimpy attire, the sexy poses, the background and.. of course, this adorably hot girl. I can't believe Michea Crawford has been absent for so long, but thanks to the people at Marks & Spencer we get to enjoy her sex appeal once more. Oh. My. Goodness!

I really can't think of a better way to end this day other than sharing with you guys and gals these incredible shots featuring one of my favorite Canadian models, the adorably hot Michea Crawford. Now, before we start gawking at these pics, in case you've missed our previous post with this peach posing for Pain de Sucre, you should really check it out here. Boy, I really need here!

It's been a tough day at the office, folks - and that's putting it mildly. But, hot damn.. this ridiculously sweet and drool inducing babe makes up for it, doesn't she?! Here's one of the hottest girls from Canada, the adorably hot Michea Crawford, turning us all into a pack of brain-dead zombies with this brand spanking new photo-shoot. Gosh.. Enjoy!
