Hi Girls,

Firstly, I would just like to say a huge congratulations on a fantastic year and a warm welcome to all our new ambassadors. This season we're helping you bring your A-game, to the business and the bedroom. Our red-hot Valentine's Day campaign has just dropped and I'm so excited to share it with you all!

As always, our lingerie collections have been inspired by the catwalk, so you'll see some incredible trends coming through – with bold colours, rich embellishment and erotic collections to truly up the ante. We've made sure that everyone is on to something special with truly unforgettable looks.

It wouldn't be Valentine's without gorgeous gifts and mind-blowing new toys. Our latest toy collection, Elation has been designed to help you reach new heights of orgasm, making you feel at one in mind, body and soul. It's time to reap the rewards of pleasure and become more in-tune with your body.

This is a game changer; give the gift of pleasure like never before.

Love,

Jacqueline Gold
Chief Executive & Founder of Ann Summers
